

The peculiar faint or infection which we call Scorbutic taints in the constitution of multitudes of men. It either produces or is produced by an encephalic, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scorbutic contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, bills and filth, the depressing vice, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation"; indeed, it seems to be the real of him who says, "I will visit the iniquities of the fathers upon their children." The disease originates take various names, according to the organs it attacks. In the lungs, Scorbutic produces tubercles, and finally Consumption; in the glands, swellings which separate and become interstices; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feebly, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scorbutic disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indubitably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Disease, Female Weakness, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's Sarsaparilla, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scorbutic depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Ayer's Sarsaparilla, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the fatal conditions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

WISTAR'S BALSAM OF WILD CHERRY.

ONE OF THE OLDEST AND MOST RELIABLE REMEDIES IN THE WORLD FOR
Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every affection of THE THROAT, LUNGS, AND CHEST, INCLUDING EVEN CONSUMPTION.
WISTAR'S BALSAM OF WILD CHERRY.
So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. It works upon the lungs, and finds its way to the abundant and voluntary testimony of the many who have long suffering and settled disease, who by its use have been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions, that
CANNOT BE DISCREDITED.

The Rev. Jacob Sechler,
Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted.

Dear Sir—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline and her hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it.

JACOB SECHLER,
From Jesse Smith, Esq., President of the Morris County Bank, Morristown, New Jersey.

Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocent, and may be taken with perfect safety by the most delicate in health.

From Hon. John E. Smith, a Distinguished Lawyer in Westminster, Md.
I have used Wistar's Balsam of Wild Cherry for several colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

The Balsam has also been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads, Md.
