

Tax peculiar taint or infection which we call **Scrophulous** lurks in the constitution of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, whereby that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrophulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation." Indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The disease originates take various names, according to the organs it attacks. In the lungs, Scrophulous produces tuberculosis, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrophulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antiseptics that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does cure, is proved by the extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of public known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood.** Minute reports of individual cases may be found in **AYER'S AMERICAN ALMANAC**, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies have failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrophulous diseases the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vital importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of **AYER'S SARSAPARILLA**, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you will neither be deceived nor disappointed in its use. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL, The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

The Eureka Hay, Straw and Fodder Cutter and Crusher,

Will save to any farmer who has six head of horses to keep, at least \$150 in one season.

This machine has been improved since last year, and is pronounced by the farming public "The best Cutter ever invented."

Having sold more than 100 of these cutters the past year, I respectfully beg leave to refer to a few farmers of Bedford county who have them in use:

Brumbaugh, Henry Harshberger, Samuel Griffith, Jacob Biddle, Isaac Imler, Adam Dibert, John Whiteline, Adam Samel, Henry Stiller, William Rock, William Keyser and some 60 other farmers, all of whom I am confident will speak of this machine in the highest terms of praise.

IMPORTANT TO ALL INVALIDS. IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the Vital Principle or Life Element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupify the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

Iron as a Medicine

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the **PERUVIAN SYRUP**, by combination in a way before unknown.

THE PERUVIAN SYRUP

is a PROTECTED solution of the PROTOXIDE OF IRON. A NEW DISCOVERY IN MEDICINE, that strikes at the root of disease by supplying the blood with its *Vital Principle or Life Element*—Iron.

THE PERUVIAN SYRUP

Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP

Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP

Cures Chronic Diarrhea, Scrophula, Boils, Scurvy, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP

Is a SPECIFIC for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.

SHRINER'S BALSAMIC COUGH SYRUP.

For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c.

THIS is no new remedy. It has been used Save 1 for a number of years in Maryland and parts of Pennsylvania, and has, wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.

So apparent is its usefulness, and so remarkable has been its cures, that it is far superior to every other remedy for those diseases. The afflicted can rely upon it doing as much for them, and in many cases more than any other remedy now before the public.

It is recommended and prescribed in the practice of a large number of the most intelligent and able physicians of Maryland. It is used and considered an indispensable household remedy by a large portion of the first families of the State.

It is used by all classes of society, and the universal opinion is that it is good. The Syrup is purely Vegetable Compound. It is pleasant to take, and never does injury. But owing to its purifying qualities, must do good under any circumstances. Its effects are truly wonderful, soothing
