SARSAPARILLA,

"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

people try it, they serve there has been no medicine like it before in our community."

Exuptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her cars, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co. N. J.

"My daughter has suffered for a year past with a scrofulus eruption, which was very troublesome. Nothing afforded any rehef until we tried your SARSAPARILLA, which soon completely cured her."

From Charies P. Gage, Esq., of the widely known Gage. Murray & Co., manufacturers of enamelled papers in Nashwa, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA.

Erysipelas - General Debility - Purify the Blood. From Dr. Robb. Sawin, Houston St., New York,

"Dr. Ayer. I seldom fail to remove Eruptions and
Scropidous Sores by the persevering use of your SarsapaRILLA, and I have just now cured an attack of Malignant

well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

For twelve years. I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Fills. Together they have cared me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro. M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your Sarsapanilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Eag, the able editor of the Tunk-hanvey Democrat, Pennsulvania.

"Our only child, about three years of age, was attacked by implies on his forchead. They applied spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for ome days. A skifful physician applied nitrate of silvey and other remedies, without any apparent effect. For affect days we guarded his hands, lest with them he should that open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SansarandLaa, and applying the holde of potasis lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had mished the second. The child's eyeashes, which had come out, grew gain, and he is new as healthy and fair a many other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stoot, of St. Louis, Missourt.

"I find your Sansaparkilla. a more effectual remedy for the secondary symptoms of Syphilis and for syphilitis disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. Ayer. My dear Sir: I have found your Sarsa-Parilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoes, Whites, Female Weakness,

Leucorrhoea, Whites, Female Weakness. are generally produced by internal Scrafulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local rentitions. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati,

"I have found your Sarsapanti.
"I have found your Sarsapantilla an excellent alterative in diseases of females. Many cases of fregularity, Leucorthea, Internal Ulceration, and local debility, arising from the scrofilous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local fragment." by local treatment."

A lady, unwilling to allow the publication of her name,

"My daughter and myself have been cured of a very debilitating Leucorrhea of long standing, by two bottles of your Sarsaparilla." Rheumatism, Gout, Liver Complaint, Dyspepsia,
Heart Disease, Neuralgia,
when caused by Scrojula in the system, are rapidly cured
by this Ext. Sarsaparilla.

IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the Vital Principle of Life Element of the blood. This is derived chiefly from the food we blood. This is derived chiefly from the food we eat, but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever rgan may be predisposed to disease. FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

THESE Powders have proved after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these powders arises from the fact ority of these powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties.—
The laxative ejects crudities from the stomach and intestines, the tonic gives strength to the System of the Horse, and the purifying medicines contained in them cleanse the blood, and Clay the foundation for a vigorous and healthy Scirculation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glessy skin—thus improving the appearance, vigor and spirit of

this noble animal.

These powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so-but, to remove the disease and pro-

ally so—but, to remove the disease and promote his general health.

These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Slavering, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c.—These Powders, if used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Coiic or Botts. The properties this powder possesses in increasing the quantity of milk in cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fattening cattle, it gives them an appetite, lossens their hide, and makes them thrive much faster.

HOGS In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from E half a paper to a paper of these powders in a barrel of swill, the above diseases can be cured or entirely prevented. By using these powders the hog cholera can be prevented. Prepared by S. A. FOUTZ,
