SARSAPARILLA,

Scrofula and Secondous Diseases.
From Emery Edes, a well-known merchant of Oxford,
Maine.

"All have sold large quantities of your SARSAPARILLA, but nover yet one of the which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they are there has been no medicine like it before in our community." Eruptions, Pin nes, Pustules, Ulcers,

in for several years a very froublesome humor in in face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAFARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the diseased that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAFARILLA."

Erysipelas - General Debility - Purify the Blood. From Dr. Robt. Samin, Houston St., New York,

"Dr. Ayer. I seldom full to remove Eruptions and
Scroplulus Sores by the persevering use of your SarsapaRILLA, and I have just now cured an attack of Malignant

From J. E. Johnston, Esq., Wakeman, Ohio.

For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The aleges were so that the continuous community, that excites the wonder of all." From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your Sarsay-Ratilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Soald Head, Sore Eyes.

From Thurvey Sickter, Esq., the able editor of the Tunk-hamook Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pinnples on his forehead. They rapidly spread until they formed a toathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clae we had any hope from, we began giving your Sakspankllll, and any hope from the bedide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's cyclashes, which had come out, grew again, and he is new as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

From Dr. Hiram Sload, of St. Louis, Missouri,
"I find your Saksapanilla." a more effectual remedy
for the secondary symptoms of Syphilis and for syphilitic
disease than any other we possess. The profession are indebted to you for some of the best medicines we have."
From A. J. French, M. D., an embnent physician of Lawrence, Mass, who is a prominent member of the Legilature of Messachusetts.
"Dh. AYER. My dear Sir: I have found your SarsaParilla an excellent remedy for Syphilis, both of the
primary and secondary type, and effectual in some cases
that were too obstinate to yield to other remedies. I do
not know what we can employ with more certainty of success, where a powerful alterative is required."
Mr. Chas. S. Van Liew, of New Brunswick, N. J., had
dreadful pleers on his legs, caused by the abuse of mercury,
or mercuvial disease, which grew more and more aggravated for years, in spite of every remedy or treatment
that could be applied, until the persevering use of AYER'S
SARSAPARILLA relieved him. Few cases can be found
more inveterate and distressing than this, and it took
several dozen bottles to cure him.

Leucorrhosa, Whites, Female Weakness,

Leucorrhœa, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful application of local remoderations. From the well-known and widely-celebrated Dr. Jacob
Morrill, of Cincinnati.

"I have found your Sarsaparath. an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhea, Internal Ulcaration, and local debility, arising from the scrollous disthesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name,

"My daughter and myself have been cured of a very debilitating Lencorrhon of long standing, by two bottles of your Sarsapaeilla." Rhoumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scropida in the system, are rapidly cured by this Ext. SAESAFARILLA.
