

Thyroid taint or infection which we call **Scrofula**, takes in the constitution of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes impure, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children, and is the root of all the "scrofulous" diseases. It is the cause of the "scrofulous" diseases, according to the organs it attacks. In the lungs, scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous disorders leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effective antiseptics that medical science has discovered for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of public and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tubercular deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in **AYER'S AMERICAN ALMANAC**, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to do so. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of **AYER'S SARSAPARILLA**, although it is composed of ingredients, some of which exceed the best of **Sarsaparilla** in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purgative and blood-purifying, it cures the blood, purges out the cause of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of **Sarsaparilla**, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effective than any other which has ever been available to them.

AYER'S CHERRY PECTORAL, The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

IMPORTANT TO ALL INVALIDS. IRON IN THE BLOOD.

It is well known to the medical profession that **IRON** is the Vital Principle or Life Element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron as a Medicine

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the **PERUVIAN SYRUP**, by combination in a way before unknown.

THE PERUVIAN SYRUP

is a **PROTECTED** solution of the **PROTOXIDE OF IRON**. A NEW DISCOVERY IN MEDICINE, that strikes at the root of disease by supplying the blood with its **Vital Principle or Life Element—Iron.**

THE PERUVIAN SYRUP

Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP

Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP

Cures Chronic Diarrhea, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP

is a **SPECIFIC** for all diseases originating in a **BAD STATE OF THE BLOOD**, or accompanied by **Debility or a Low State of the System.**

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

THESE powders have proved after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties.

The laxative effects cleanse the stomach and intestines, the tonic gives strength to the system of the Horse, and the purifying medicine contained in them cleanse the blood, and lay the foundation for a vigorous and healthy Circulation. The use of them improves the horse's line, smooths and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

These powders are not intended, as most powders are, to blot the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung Fever, a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Scurvy, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c.—These Powders, if used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Cough or Botta. A few of these powders will remove the worst cough, or any horse. Were owners of horses to feed a few of these powders every year, they might save the lives of many valuable horses.

MILCH COWS.

The powders this powder possesses in increasing the quantity of milk in cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.

In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from half a paper to a paper of these powders in a barrel of swill, the above diseases can be cured or entirely prevented. By using these powders the hog cholera can be prevented.
