CAUTION FROM THE

AMERICAN WATCH CO.

It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches. The First has the name

"AMERICAN WATCH CO., Waltham, Mass.,"

engraved on the inside plate. The SECOND has the name

"APPLETON, TRACY & CO., Waltham, Mass.," engraved on the inside plate.

The THIRD has the name .P. S. BARTLETT, Waltham, Mass.," engraved

on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted !

in every respect. The Fourrn has the name

WM. ELLERY, Boston, Mass.," engraved on

the inside plate, and is not named on the dial. All the above described watches are made of va-

rious sizes, and are sold in gold or silver cases, as may be required.

It is hardly possible for us to accurately describe -no such company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually known as the 'Soldier's Watch." Others are named the "Appleton Watch Co.;" oth-ers the "P. S. Bartikey," instead of our "P. S. Bart-lett;" besides many varieties named in such a man-ner as to convey the idea that they are the verita-ble productions of the American Watch Congress from whatever point the steamers is instantly to graphed, from whatever point the steamers first lett." -no such company existing. Some are named the

which are stated to be from seven to sixteen dollars. in advance. A good watch, in these times, cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition .
