

CAUTION FROM THE AMERICAN WATCH CO.

It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches.
The First has the name
"AMERICAN WATCH CO., Waltham, Mass.," engraved on the inside plate.
The Second has the name
"APPLETON, TRACY & CO., Waltham, Mass.," engraved on the inside plate.
The Third has the name
"P. S. BARTLETT, Waltham, Mass.," engraved on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect.

The Fourth has the name
"WM. ELLERY, Boston, Mass.," engraved on the inside plate, and is not named on the dial.
All the above described watches are made of various sizes, and are sold in gold or silver cases, as may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass.,"—no such company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually known as the "Soldier's Watch." Others are named the "Appleton Watch Co.," others the "P. S. Bartlett," instead of our "P. S. Bartlett," besides many varieties named in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.

We also caution the public, and particularly soldiers, against buying certain articles called watches, as they are advertised in illustrated papers as "Army Watches," "Officers' Watches," "Magic Time Observers," "Arms Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good watch, in these times, cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition.

U. S. 7-30 LOAN. THIRD SERIES. \$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN.
These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per cent.
GOLD BEARING BONDS.

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7-30 per cent. amounts to
One cent per day on a \$50 note.
Ten " " " " \$100 "
20 " " " " \$200 "
\$1 " " " " \$5000 "

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirtieths already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 7 3/10 in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-Thirtieths will commence on the 1st of June and will be made promptly and continuously after that date. The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

The Only Loan in Market

Now offered by the Government, and its superior advantages make it the
Great Popular Loan of the People.

Less than \$230,000,000 of the Loan authorized by the last Congress are now on the market. This amount at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE,

SUBSCRIPTION AGENT, Philadelphia.

Subscriptions will be received by the First National Bank of Hollidaysburg, and First National Bank of Huntingdon.

D. W. AMOS' HORSE RAKE.

PATENTED JANUARY 12, 1864.
This Rake combines greater improvements, and more effective capabilities, than any ever before offered to the Agriculturist.

As the teeth are elevated and depressed by the foot of the driver, his hands are left free to guide his team with precision, and keep it under perfect control.

As each rake-tooth is capable of an independent vertical movement, the rake will operate perfectly over the most uneven surface with a uniform pressure, and will, consequently,

RAKE GRASS & GRASS PERFECTLY CLEAN. This rake is solidly constructed of durable materials, and is so simple and direct in its operation that any boy who can manage a horse in harness can, with this Rake, do perfect work.

Agents wanted in every county seat throughout the State to sell this HORSE RAKE. Having lately made new improvements I feel confident that I can give full satisfaction to farmers generally. I would refer the public to Hon. John Mann, Ass. Silver, John James, Adam Dierst, Samuel Root, Michael Dierst, Isaac Inler, Charles N. Colvin, W. P. Mickel, and others who have used this Rake.

GREAT SUCCESS OF THE BEDFORD CO. MUTUAL OIL COMPANY.

Over 50,000 Shares Already Sold.

Capital Stock \$150,000, Par Value \$1.00.

No Favoritism. Every Subscriber on the Ground Floor.

The property of the above named company, which is about being organized under the mining laws of Pennsylvania, consists of the following valuable territory, to wit:

1. A lease of one half acre, known as "No. 3," on the Tenney & Storow purchase, on Cherry Run, Venango county, Pa., just above the celebrated "Reed" well and within a stone's throw of a well just struck, flowing at present 100 barrels per day. A new derrick erected upon the lot. One half the oil to the company.

2. A lease of one half acre, in close proximity to the above, known as "No. 6," on the Tenney & Storow purchase, on Cherry Run. A new derrick erected upon the lot. One half the oil to the company.

3. The refusal for sixty days, of a lease on Sugar Creek, of two acres of ground; five-eighths of the oil to the company.

4. Seven acres in fee simple on the waters of Ritchey Run, one mile from its junction with the Allegheny, about the same distance from the Reed and Widel wells, owned by the "Stump Island Oil Company." All that, lovable territory, at present under cultivation, with a good frame house upon it.

5. Three acres in fee simple on the Allegheny River, just below the mouth of the Clarion river. There is room on this tract for a half dozen wells. The Allegheny and Clarion River Oil Company, of Philadelphia, are now sinking several wells immediately opposite this property, with excellent prospects of success.

In presenting the above basis to the public, it is confidently believed that it cannot be excelled by that of any other company yet organized. The two leases on
