

er's APARILLA

It is the world's greatest remedy for all kinds of Acute and Chronic Diseases. It is a well-known merchant of Oreford, Maine.

I have sold large quantities of your SANSAPARILLA, and never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community.

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Mrs. John, Boston, Boston, England.

"I only do my duty to you and the public when I add my testimony to that you publish of the medicinal virtues of your SANSAPARILLA. My daughter, aged ten, had an itching humor in her face, eyes, and hair for years, which we were unable to cure until we tried your SANSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Danville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded her relief until we tried your SANSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enameled papers in Newbury, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could do of both medicine and surgery, but without any relief whatever, until I took your SANSAPARILLA. It removed the humor, and my face has since been as smooth as any body's, and I am without any symptoms of the disease that I know of. I only perfect truth, and without a doubt it is your SANSAPARILLA."

Syphilis—General Debility—Purify the Blood.

From Dr. John, Boston, Boston, England.

"Dr. AYER, I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SANSAPARILLA, and I have seen it cure the most obstinate Scrofulous Eruptions with it. No alterative we possess equals the SANSAPARILLA, and we have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Woburn, Ohio.

"For twelve years, I had the worst Syphilis on my face, and it was so bad that I could not see. I tried all the physicians I could reach, and took hundreds of dollars worth of medicine. The ulcers were so bad that the eyes became visible, and the doctors decided that my arm must be amputated. I began taking your SANSAPARILLA. Took two bottles, and the ulcers were healed. They have since cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community. I am the owner of the SANSAPARILLA."

From Hon. Henry Moore, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SANSAPARILLA for several years, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Rose, Selt Rheum, Scald Head, Sore Eyes.

From Harvey Sicker, Esq., the able editor of the *Tankersburg Register*, Pennsylvania.

"One only child, about three years of age, was attacked by measles on his forehead. He rapidly advanced until they formed a loss and a virulent sore on his forehead, which actually blinded his eyes for some days. A skillful physician applied a variety of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, legs with them he should not touch the medicine and carried water which covered his whole face. Having tried every thing else we had any hope from, we began giving your SANSAPARILLA, and applying the inside of peach leaves, and directed. The sore began to heal when we had given the first bottle, and was well when we had given the second. The child's eyes, which had come out, grew again, and he is now as healthy and fat as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stott, of St. Louis, Missouri.

"I had your SANSAPARILLA, a more efficient remedy for the secondary symptoms of Syphilis, than any other medicine that I have ever used. The profession is indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DEAR SIR: I have found your SANSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and in some cases that were too obstinate to yield to other remedies. I do not know what you can employ with more certainty of success, where a powerful alterative is required."

From Mrs. S. Van Allen, of New Brunswick, N. J., had dreadful ulcers on her legs, caused by the abuse of mercury, or scrofulous disease, which grew more and more painful for years, in spite of every remedy or treatment that could be applied. The persevering use of AYER'S SANSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure it.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the persevering use of AYER'S SANSAPARILLA. Some cases require, however, in aid of the SANSAPARILLA, the skillful application of local remedies.

From the well-known and successful Dr. J. C. Morrill, of Cincinnati.

"I have found your SANSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhoea, Internal Ulcers, and other diseases, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SANSAPARILLA."

Its reputation is its usefulness, and so remarkably good, that it is fast superseding every other remedy for those diseases. FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS. THESE powders have proved after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties. The laxative effect eradicates from the stomach and intestines, the tonic gives strength to the system, and the purifying property purifies the foundation for a vigorous and healthy circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal. These powders are not intended, as most powders are, to blot the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health. These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, such as Influenza, Yellow Water, Distempers, Founder, Heat, Scurvy, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c.—These Powders, if used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Scurvy or Heat. A few doses of these powders will remove the scum, and give him a few of these powders every year, they might as well live the lives of many valuable horses.

The properties this powder possesses in increasing the quantity of milk in cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS. In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from half a paper to a paper of these powders in a barrel of water, the above diseases can be cured entirely prevented. By using these powders the hog cholera can be prevented. Prepared by S. A. FOUTZ, Westminster, Md. For sale at the Drug Stores of Reamer and Harry, Bedford, Pa. Dec. 23—1y
