

Ayer's Sarsaparilla

THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES.

I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. It is our people try it, they agree there has been no medicine like it before in our community.

My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we took your Sarsaparilla, which soon completely cured her.

My wife, Jane E. Rice, well-known and much-esteemed lady of Danvers, Mass., writes: "I have used your Sarsaparilla for several years, and it has cured me of all my scrofulous humors. It has cured me of all my scrofulous humors, and I have never since had any more of them. It has cured me of all my scrofulous humors, and I have never since had any more of them."

FOOTZ'S CELEBRATED HORSE AND CATTLE POWDERS. THESE powders have proved after a trial of several years, to be superior to any preparation of the kind in use. The chief property of these powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties. The laxative effects cleanse the stomach and intestines, the tonic gives strength to the system of the Horse, and the purifying medicine contained in them cleanse the blood, and lay the foundation for a vigorous and healthy Constitution. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

These powders are not intended, as most powders are, to kill the animal, so as to give the appearance of being cured, but are really so—so, to remove the disease and promote his general health. These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure preventive of the Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Stomachic, Coughs, Fevers, Loss of Appetite, and Vital Energy. See the following: If used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Croup or Colds. A few doses of these powders will remove the worst cough, on any horse. Were owners of horses to feed a few of these powders every year, they might as well live in a land of milk and honey.

MILCH COWS. The proprietors of this powder possess in increasing the quantity of milk in cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster. HOGS. In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from half a paper to a paper of these powders in a trough of swill, the above diseases can be cured or entirely prevented. By using these powders the hog cholera can be prevented. Prepared by S. A. FOUTZ, Westminister, Md. Dec. 23, '64—1y.
