

DEMOCRATIC MASS MEETING.

Rally for the White Man's Government!

The Democrats, and all other citizens of Bedford county, in favor of re-instating the communitarian...

E. F. KERR.

How A. J. COLBORN, of Somerset, and other distinguished strangers, will address the meeting...

We call attention to the administrators of the real estate of John Bridlam, late of Bedford township, dec'd. in another column.

Photographs.—The attention of the public is called to the advertisement of T. R. Getty in another column. Now is the time to have your portraits taken cheap and well.

More "Campaigners."—Our old friend Edward Pearson, Esq., of New Grenada, Fulton county, sends us the names of seven campaign subscribers, for which he will please accept our thanks.

C. A. GARDNER, Esq., the handsome editor of the Fulton Democrat, dropped into our sanctum a few days ago, looking as hale and bright as though no editorial cares had ever ruffled the course of his life.

The "SUNDAY MERCURY."—This well established Democratic journal, comes to us in a brain new suit of type. The Mercury is one of the most interesting of our exchanges and we are glad to note this evidence of its prosperity.

KELLY ON CAMERON.—We publish on our first page a pretty little letter from the pen of Judge Kelly, one of the Abolition Congressmen from Philadelphia. The Judge's theme is Simon Cameron. Inquirer, please copy and oblige some of its readers who are interested in Simon's welfare.

Where is the man who followed Frederick C. Mook and shot him down in cold blood? Can't John Cessna help to hunt him out?

Turn out to the Democratic Mass Meeting at the Court House, on Monday evening, Sept. 4. Distinguished strangers are expected to address the meeting.

The Crouse case is the present stock-in-trade of the Bedford Inquirer. That paper is determined that none of its readers shall be qualified to sit as jurors on the trial of the Messrs. Reed.

Neither the Franklin Repository, nor the Bedford Inquirer, nor all the other Abolition papers in the state, can draw us into a discussion of the merits of the Crouse homicide case. We have too high a regard for a pure and impartial administration of justice to permit them to drag us down to their level.

The Inquirer is informed that we don't attack women. Is that a woman who would have her neighbor's property destroyed, who tries to stir up a riot which might end in the destruction of a whole town? No, no! She is something else. When women disturb the public peace and become enemies of the public welfare, they must themselves. They are no longer women, but she devils. Such characters are head ideals with the Inquirer editors, but they cannot afflict ladies whose children are dressed in fashionable colors.

Only twenty-five thousand.—The Cleveland Herald says that it believes the Republicans will carry Ohio by twenty-five thousand majority. What a falling off! Last year their majority was 60,226. If they already give us a gain of thirty-five thousand, how will it be in October. We will carry the State against no equaling.—Hancock Courier.

Island we love has become morally, politically and financially debauched to the very core. Abolition is preached for religion, Abolitionism is held to be Jeffersonian Democracy and that other fallacy, though not the least, that green paper with Lincoln, Cass, or a Buzzard printed on the face, is as valuable as gold and silver.

PENNSYLVANIA INTERESTS IGNORED.—Taxpayers, you may look in vain through the Abolition-Republican-Shoddy platform for a single allusion to your interests or to State policy. The whole thing might be taken for a national platform, so broad it is in generalities, and so foreign is everything relating to this Commonwealth. The name of our State is not even mentioned except once incidentally, and that only to utter a slander against the Democracy. There is not one word said about State resources, about your industrial pursuits, about your tax and other burdens; nor is there even a hint at any policy which might relieve you of debt and taxation, or that might open to you new avenues to wealth or employment. To all intents and purposes, Voters and Taxpayers, you have been ignored entirely by the shining lights of shoddy, who cannot count down from national flights to the dull concerns of a Commonwealth.—Patriot & Union.

The Trial of Jeff. Davis. New York, Aug. 29. The Herald's Ft. Monroe correspondent says it is now pretty well understood that parties have been making inquiries as to the accommodation line for the trial at this place of Jeff. Davis.—The inquiries indicate that the trial is to take place here if the proper accommodations can be obtained, including the court and witnesses. It is said that provisions will be made for at least one hundred and fifty persons. Arrangements it is said are being made to convert the Chesapeake Hospital building into headquarters for the court, members and witnesses. There is abundance of room here, and with horse cars running every fifteen minutes back and forth, to the fortress every other needed facility will be obtained. All this of course presents itself as a rumor.

An order has just come directing five thousand troops to be mustered out of this department, compliance with this order will reduce the force here from fifteen thousand to ten thousand men.

Economy of Courts Martial. Certain newspapers think the court martial sitting in this city, for the last five or six months trying three cases, is exceedingly economical, because it has tried less than one hundred cases since 1861. Why, our criminal court would try as many cases in a single term, and not least of the achievement. At the rate the court proceeds with the number of cases in hand some of the accused will be dead before the period of their trial commences. Some of our contemporaries are so struck with this speedy mode of dispensing justice that they think it the best way to administer it, and would even dispense with the privilege of the writ of habeas corpus, if the civil courts would allow it. Justice Thompson has put a check to this illegal proceeding in time of peace, and with this guarantee of personal liberty, we do not think it matters much how long the court martial may sit trying the causes which come legitimately before it. Justice should never be in a hurry, for fear it should make mistakes, and the "speedy trial" secured by the laws to every person accused, is a trial in civil courts, and cannot apply to courts martial.—Phila. Ledger.

THE RESULT IN KENTUCKY.—Notwithstanding the outrageous military interference with the elections in Kentucky, the Conservatives carried the day. The Congressional delegation stands five Conservative to four Radical. The Legislature is about two-thirds Conservative, enough to enable them to elect a State Senator, and prevent the adoption of the amendment.—Under the circumstances, the Conservatives of Kentucky have achieved a glorious success, much of which is due to Gov. BRADLETTE for his firm and temperate action.

THE ATLANTIC CABLE FAILURE.—The failure of the great Atlantic Cable is at length confirmed. A dispatch from Heart's Content, by way of Aspy Bay, states that on the 14th inst., the schooner First Fruit, which arrived at Harbor Grace, N. F., reports having on the 6th passed a buoy marked "Great Eastern, No. 37." A few hours later she communicated with the Tenth, the consort of the Great Eastern, and learned that the Cable parted on the 2nd inst., and that the buoy marked the place where it had disappeared. As the parting took place where the water is about 14,000 feet deep, there is little probability that the cable can ever be recovered.

BRANDRETH'S PILLS A GENERAL ASSISTANT OF NATURE. What is health? What is disease? Health is when the supply and expenditure are equal. Disease when the supply and expenditure are unequal.

BRANDRETH'S PILLS impart certain expansive powers to all matters in the body whose life is below the standard of the surrounding party, or which have remained longer than the time nature designed. So in fevers and all that class of cases which soon run into mortification Brandreth's Pills have marvelous curative qualities. Our bodies are continually changing, and it is by this change we live.—Should matter remain in organs beyond the time nature designed, pain and inflammation set in, which is nothing more than a preparatory effort towards good. All Brandreth's Pills are supposed from the results to be of simply ASSISTING THESE EFFORTS OF NATURE. July 28—1m.

NO HARDEE-HOOD On the part of the South can prevent the success of the Union arms. Grant and Sherman's policy, like CRISTADORO'S HAIR DYE, Everywhere establishes colors which are beautiful in the people's eyes. The hues of the National Flag are those of Heaven, but among all the dyes of Earth there is none save CRISTADORO'S that produces instantaneously perfect fair smiles of nature's every shade of black and brown. Manufactured by J. CRISTADORO, No. 6 Astor House, New York. Sold by Druggists. Apply by all hair dressers. August 4—1m.

Dr. T. Allcock.—Dear Sir: Seventeen years ago I was sorely injured in my back. At length I was induced to use your plasters. I wore one constantly for six months, and did more hard work during that six months than in the preceding fifteen years. CRARY, Principal Agency, Brandreth House, New York. Sold by all Dealers in Medicines. July 28—1m.

Price No. 80 cents a bottle. Sold by all Druggists. Office 50 Cortlandt Street, New York. July 21—1m.

NEW SKIRT FOR 1865-6. THE GREAT INVENTION OF THE AGE IN HOOP SKIRTS. J. W. BRADLEY'S NEW PATENT DUPLEX ELLIPTIC (or double) SPRING SKIRT. THIS INVENTION CONSISTS OF DUPLEX (or two) ELLIPTIC PERK REFINED STEEL SPRINGS, ingeniously STAPLED TOGETHER AND FIRMLY TIGHT TOGETHER TO MAKE, making the tightest, most FLEXIBLE, ELASTIC and DURABLE SPRING EVER USED. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure in any lady wearing the Duplex Elliptic Skirt will be experienced peculiarly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church Pews, Am Trains, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress. A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Skirt, will willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others. The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on the Duplex skirt are also double steel, and twice or double covered to prevent the crawling from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use. All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the skirt the most graceful and perfect body possible, comfortable and economical skirt ever made. WEST'S BRADLEY & CARLEY, PROPRIETORS OF THE INVENTION, AND SOLE MANUFACTURERS, 71 CHURCH STREETS, AND 79 & 81 STATE STREETS, NEW YORK.
