Publications. 1866. THE WORLD, An Independent Democratic Daily, Weekly & Semi-Weekly Newspaper. After four years of civil war, forced upon the people of the United States by the violence of sectional parties, we now enter upon a new era of unity and progress. North and South, a cordial cooperation of all honest men is needed to repair the waste of war, to establish our peace through the triumph of sound constitutional principles in the administration of the government, and our unity by guarding all that makes Union desirable. The great Democratic Party, whose history in the past is the history of private prosperity, of territorial extension, and of public order in America, stands now, as it has ever stood, the Party of the nation, superior to all sectional passions in its loyalty to the rights of equal States and to the liberties of the individual citizen. Once more its voice will be heard, once more its adherents will be rallied to the common standard in every city and town of the Northern and of the Southern States. To the principles of the great Democratic Party of the Nation, THE WORLD has borne firm witness throughout the ordeal of civil war. It will now be devoted to the not less arduous task of applying these principles to the solution of the most weighty questions—financial, social, political—which come upon us with the return of peace. Faithful to the real interests of all sections, it will be enabled by the prejudices and blinded by the prepossessions of none. That the principles of American Democracy should be maintained, no man can doubt; and in this voice, here in the great metropolitan center of American enterprise and commerce, is a matter of such importance to every citizen as most commend THE WORLD to the co-operation and support of good men in all sections of the Union. Whatever skill can advise or enterprise accomplish will contribute to make THE WORLD what it is our resolve that it shall continue to be THE BEST Newspaper of the Day. Competent correspondents at every commercial and political center of both hemispheres, who are always instructed to make the freest and promptest use of the telegraph, will keep our readers fully informed of all doings and the progress of mankind in all parts of the globe. EDITIONS. The Daily WORLD affords a complete compendium of all the news of every day. ITS READING FOR THE FAMILY CIRCLE embraces the freshest and best Stories, Poetry, Religious Reading, etc. 3. IRRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS, CATARRH OF THE BLADDER, STRANGURY OR PAINFUL URINATING. For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Helmbold's Buchu will relieve you. PH YSICIANS AND OTHERS PLEASE NOTICE. I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubebæ, and Juniper Berries, selected with great care, prepared in vacuo and according to rules of PHARMACY AND CHEMISTRY. These ingredients are known as the most valuable Diuretics afforded. A DIURETIC. Is that which acts upon the kidneys. HELMBOLD'S EXTRACT BUCHU ACTS GENTLY. Is pleasant in taste and odor, free from all injurious properties, and immediate in its action. FOR THE SATISFACTION OF ALL, See Medical Properties contained in Dispensatory of the U. S., of which the following is a correct copy: "BUCHU—Its odor is strong, diffusible, and somewhat aromatic, its taste bitterish, and analogous to that of mistletoe. It is given chiefly in complaints of the Urinary Organs, such as Gravel, chronic Catarrh of the Bladder, Morbid Irritation of the Bladder and Urethra, Diseases of the Prostate, and Retention or the Incontinence of Urine, from a loss of tone in the parts concerned in Dyspepsia, Chronic Rheumatism, Cutaneous Affections, and Dropsy." FOR FURTHER INFORMATION, See Professor Dewees' valuable works on the Practice of Physic. See Remarks made by the celebrated Dr. Physic of Philadelphia. See any and all Standard Works on Medicine. I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise. WM. WRIGHTMAN, (Firm of Powers & Wrightman,) Manufacturing Chemist, Ninth and Brown Streets, Philadelphia. [From the Philadelphia Evening Bulletin, Mar. 10.] We are gratified to hear of the continued success, in New York, of our townsman, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 28 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class. The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are GENUINE PREPARATIONS, And, knowing that the intelligent refrain from using anything pertaining to Quackery, or the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations. THESE PARTIES RESORT to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates. The Science of Medicine stands SIMPLE, PURE, and MAJESTIC,—having Fact for its Basis, Instruction for its Pillar, Truth alone for its Capital. A WORD OF CAUTION. Health is most important; and the afflicted should not use an advertised remedy, unless its contents or ingredients are known to others besides the manufacturer, or until they are satisfied of the qualifications of the party so offering. "PUBLIC SALE" BILLS. Printed at short notice. HELMBOLD'S Genuine Preparations. FLUID EXTRACT BUCHU, FLUID EXTRACT SASSAPARILLA, AND IMPROVED ROSE WATER. Established upwards of 16 years. Prepared by H. T. HELMBOLD. We can insure complete satisfaction as to time and price. HELMBOLD'S Drug and Chemical Warehouse 594 Broadway, New York; And Helmbold's Medical Depot, 104 South Tenth Street, Philadelphia, Pa. SOLD BY ALL DRUGGISTS. Oct. 20, '65—1y.

Medical. SHRINER'S BALSMIC COMPOUND SYRUP. For Coughs, Colds, Whooping Cough, Asthma, Bronchitis, Spasmodic Croup, Pain and Weakness of the Breasts, Difficulty of Breathing, &c. This is no new remedy. It has been used for a number of years in Maryland and parts of Pennsylvania, and has, wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended. So apparent is its usefulness, and so remarkable has been its cure, that it is fast superseding every other remedy for those ailments, afflicting more cases more than any other remedy now before the public. It is recommended and prescribed in the practice of a large number of the most intelligent and able physicians of Maryland. It is used and prescribed as an independent household remedy, in a large portion of the first families of the State. It is used by all classes of society, and the universal opinion is that it is good. This Syrup is a Purely Vegetable Compound. It is pleasant to take, and never does injury. But owing to its purifying qualities, must do good under any circumstances.
