DEMOCRATIC STATE TICKET. FOR GOVERNOR, Hon. HIESTER CLYMER,

Friday Morning

OF BERKS COUNTY. THE DEMOCRATIC NOMINEE.

The Democratic State Convention, met at Harrisburg, on Monday last, and nominated as its candidate for Governor, HON, HIESTER CLYMER, of Berks. The choice of the Convention will be sustained by the people by an is to turn out, en mass, to the approachimmense majority at the polls. The ing Spring elections and vote for men important the polls. The ing Spring elections and vote for men ing Spring elections are considered as the contract of the policy. gallant son of glorious old Berks, is who endorse the veto. Squelch the nia, offered a resolution relative to the , destined to redeem Pennsylvania from the misrule and corruption that have so have much less work to do in the Fall | erty long weighed, like an incubus, upon the campaign. "A stitch in time saves A bill was presented to construct a railmost vital interests of the people. Now, nine." let the Democracy rally and gather around their standard-bearer! Now, let but one purpose, that of VICTORY, animate the bosonis of the people! Our nominee is more than worthy of the entire confidence of the Democracy. He is tried and true. Let us bear him forward to a glorious triumph.

THE PRESIDENT'S SPEECH.

On the first page of this issue will be found the speech of President John-dalicand and page of this issue will be seems to be considerable difference of opinion among lawyers, as to this questification. It was ordered to be printed and laid on the table. The bill granting lands to the Atlantic and Pacific Railroad was taken up and passed. son, delivered on the twenty second of tion. February, to a meeting of his friends assembled at the White House. There assembled at the White House. There are some points in this speech which vere upon the President, styling him tives, Mr. Cowan, of Pennsylvania, was entitled to the floor, but gave way, and are calculated to do great good in the "Our Fallen Ruler." On the other Mr. Johnson presented the credentials work of restoring peace and unity to hand, the Somerset Herald and Whig from Louisiana for the short term. Mr our distracted country. The President collects its ideas in favor of the Presi- Cowan then made a speech, and was declares that it is time to take the Constitution from among the musty tomes of forgotten lore in the Executive Department, where it was hid away by President, it is always cowin' before ayes 29, nays 18. the late administration, and that that "the powers that be." sacred instrument must be unrolled, once more to become the chart by which be formed by a union of the "Dead Rab- Sherman's escort through the South, we are to be guided in navigating the bits" of New York and the 'Dead Ducks' stormy ocean of national politics. Neither the Higher Law, nor the Necessity or No Law, doctrine is to prevail any longer in the administration of the government. The "little bell" in the Radicals upon the Southern people is State Department is to be deprived of its clapper; the scaffolding on which through the Louisiana Legislature: Military Commissions have had their tion of reconstruction in the national little rehearsals of tragedies founded on Congress, the enemies of the policy of incidents in the French Revolution, President Johnson are incidents in the French Revolution, mislead public opinion by the grosses is to be taken down; the judge on the misrepresentations of the opinions and civil bench is to be allowed to furbish his spectacles so that he can once more Be it resolved, by the Senate and House read Magna Charta and perceive in the of Representatives of the State of Louisi-ana, in General Assembly convened, That, fundamental law the right of the Ha- as representatives recently elected by beas Corpus; in short, we are to have the people of this State, and being fully beas Corpus; in short, we are to have conversant with their opinions and sen-a streak of that gala sunshine of libererty which streamed in glory from the the results of the war as a final settledoctrines and deeds of the Republican fathers. Besides, the President comes back to the position occupied by the desire to re-open the agitation of those questions; that they acquiesce in the true friends of the Union ever since the abolition of slavery as an accomplished agitation of the negro question became an element in politics. Our readers in the enjoyment of their rights; that will remember how faithfully we altimeter of the fights, that of calling the States for bills ways clung to the doctrine that the they hold for them the kindly feelings Abolitionists and Secessionists were equally in the wrong, how earnestly we | their interest as well as duty to do whatever is proper to advance them in intelligence, morality and religion. That enemies of the Union. This was always the position of the Democratic to the national authority and constituparty. The President returns to this tional government of the United States point, when he declares that there were two factions which were willing to of the above statement, from whatever break up the government, the one for pronounce to be without foundation in the purpose of maintaining the institution fact, and are infamous attacks upon the tion of slavery, the other for the purpose of destroying it. The former, he honor, courage, and good faith of the people of Louisiana.

Be it further resolved, That the statetells us, has been overthrown by force of arms; the latter, "at the other end cation, nor of shameful contrition for of the line," is now engaged in making the past, nor of hypocritical devotion to our late enemies, but to vindicate war upon the Government, because its the manhood and honor of our people fanatical purposes have not been fully from the slanders pronounced against them by their Radical enemies at home accomplished. In order that the publand abroad, and for the purpose of conlic may not misunderstand the allusion wincing every truthful and magnani-mous mind that to continue to deprive of the President to the persons "at the Louisiana of her constitutional right of other end of the line," he designates some of the principal ones, telling us that Thaddeus Stevens, Charles Sumner and Wendell Phillips are the men who now lead the ranks of the Disunionists. Thus we have the Executive the dangers of the barried the dangers of the barried the dangers of the statesman, quired the wisdom of the statesman, and the statesman to warning to the leadership of Stevens, magnanimity of either the Northern or Sumner and Phillips. They are the men who for years have given tone to ces of all the public men and legislative the sentiments of their party. To-day | bodies in the Southern States. three fourths of the "Republican" Senators and Representatives in Congress follow their lead and do their bidding. No man, therefore, who would be a
