1866. MAKE UP YOUR CLUBS. THE NEW YORK NEWS.

TO THE PUBLIC.

THE New York News has battled against despotism for four years of blood and terror in assertion of the sanctity of the Constitution. A particular sufficiently broad to embrace both ections has been its only guide, and it refers now with honest pride to its record to show that it has not turned to the right or the left under all the violence of arbit ary power.

True to its principles as The News has been through the reign of terror, it challenges public confidence in its honesty and independence for the future.
