WHAT GIVES SUCCESS IN BUSINESS. The business man who puts his sign in the newspaper, does a much wiser thing than he who fastens it over his door, which no one would think of neglect-ing. The man who advertises informs the public that he wants business, and his card is an invitation to customers to come and deal with him. member Stephen Girard. DR. TOBIAS' VENITIAN LINIMENT. —Died of Croup—what a pretty and interesting child I saw last week !· But now, alas! it is no more. Such was the conversation of two genile-men riding down town in the cars. Died of croup! how strange ! when Dr. Tobias' Venetian Liniment is a certain cure, if taken in time. Now mothers, we appeal to you. It is not for the pairty gain and profit we make, but for the sake of your infant child that now lies playing at your feet. Croup is a dangerous disease ; but use Dr. Tobias' Venetian Liniment in time, and it is robbed of its terrors. Aiways keep it in the house; you may not want it
