REDUCTION IN PRICE AMERICAN WATCHES,

In consequence of the recent great decline gold and silver and all the materials used in the manufacture of our goods, and in anticipation of a still further decline, we have reduced our price

that no one need hesitate to buy a watch no from the expectation that it will be cheaper at ome future time. The test of ten years and the manufacture and sale of

More than 200,000 Watches have given our productions the very highest rank among time-keepers. Commencing with the de-termination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until ply the demand. We have repeatedly enlarged our factory buildings until they now cover over

more than eight hundred workmen.

We are fully justified in stating that we not make make more than one half of all the Watchwith fixtures, together with the many different es sold in the United States. The different grades are distinguished by the following trade-marks

engraved on the plate: 1. "American Watch Co.," Waltham, Mas 2. "Appleton, Tracy & Co.," Waltham, Mass. 3. "P. S. Bartlett," Waltham, Mass.

4. "Wm. Ellery 5. Our Ladies' Watch of first quality is named 'Appleton, Tracy & Co.,'' Waltham, Mass 6. Our next quality of Ladies Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles

authorize us to state that without distinction of trade marks or price,

All the Products of their Factory are
fully warranted

to be the best time keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this warantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches CAUTION -The public are cautioned to buy only of respectable dealers.
