DISUNION REPRESENTATIVE AND SENATORIAL CONFERENCES. The endorsers of Congress in the "Republican" party, as against the policy of President Johnson, held their conference to nominate candidates for Representatives in the Legislature, in this place, on Friday and Saturday last. The candidates before the conference were Messrs. Weller, of Somerset, Stuckey, of Bedford, and Richards of Fulton. After protracted balloting, Messrs. Weller and Richards were nominated. Somerset voted for Richards, in order to "kill" Duffield for Senator, so that the chances for Stutzman, Somerset's candidate for Senator, might be improved. This was a nice little game on the part of our Somerset friends and was beautifully played .-What cared they for a one-legged soldier when he stood between them and the point they were trying to make?-Not a whit! The "machine" was run right over him, crutches and all, with the whole weight of Richards' burly body on the vehicle.
