correspondent was at that time connectmake any further application. I am aed with a New York paper, and along ware that I have not been very popuwith others went to the telegraph shop, lar among my people during the last scratched off our "startling," and were politely.told by the clerks in attendance that the news "could not go."

"Why?" of course was the next interrogatory.

"Mr. Sanford, censor, forbids it." Sanford, of course, was wished some where else, and a number of correspond ents still carry him a grudge that will be paid some day with interest.

On Sunday morning-a bright and beautiful morning it was-my ears were assailed with the cry of "Philadelphia the fundamental law of this land, so Sunday Mercury! Sunday Dispatch! Full accounts of the great fight !" invested of course, and then found that Tom Elliott had commenced the work this second to no man in breadth and that was to make a great man out of intensity, and probably held it before Gearv.

> "How did they get this news in Philadelphia?" asks one correspondent.

"How did they get it ?" replies nature of rendering evil for evil, and punishing according to the manner of telegraphed it to the Associated Press, at him, said : "At which end, my lord?" of course." And so Tom did.

I last saw Geary in the flesh at Gettysburg, one year ago last Wedneswere in rebellion, annihilate them. The Mr. Stevens in Congress, I regard to be was Doubleday and Sykes.

Geary rode a splendid black charger. His uniform was the brightest, and gauntlets just the thing for show. beard was newly blackened and oiled, and he was, as I have hinted "gallus looking.

And Geary, he was Master of ceremo nies. He was splendidly gotten up for the occasion, and he certainly looked very fine, but still resembled anything but a Major General. Governor Curtin introduced me, and Geary, hearing that I was connected with so loyal a be had just parted in Washington with blos at one half the present prices. riginal status all parts of our Union, and, by the amplitude of our helpful-rese and the numistatable disclosures is the man, and so told our amiable Governor.

My distaste to Geary arose partly their bosom a thousand fold of love that which they had given to us of trouble and mischief The North should have Geary, it appears, some time previ had been wounded and was taking things "easy" down the Cumberland here should have felt and prayed for the people there and should have long-ish every thing was about his castle, the people there and should have longand informed me that he had a guard ed for their well-being; while, though I know that hundreds and thousands have done this, theapathy of the com-stock" of the good people of the Valley. munity has been that of a stern cold Think of that for a Major General, rest-A Troy negro recently fell from a judge and they have favored paying iota for iota, measure for measure. This is my mourning and regret. And I

-In San Francisco the ponce have discovered a gang of thieves, the oldest of whom is not over sixteen or seventeen years of age, with a regular organization, who have constructed caveins underneath sidewalks in unfrequented ocalities, in which they burrow, and from which they construct tunnels to adjacent stores conveying their stolen goods thence to the upper air. -A despatch from Charleston, dated

yesterday, states that on Thursday evening a mutiny broke out among the negro troops on Folly Island which was not suppressed until one of the mutineers was killed and two wounded. The rest of the mutineers were taken to Charleston under guard.

Judge Jeffreys, of notorious memory, pointing with his cane to a m n w o was about to be tried, said : "There is a George Bower, whom you saw interred great rogue at the end of my cane." a few weeks ago-"why Tom Elliott The man to whom he pointed, looking
