REDUCTION IN PRICE AMERICAN WATCHES,

MADE AT WALTHAM, MASS. cur prices to as low a point as they wan be placed WITH GOLD AT PAR, so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some The test of ten years, and the manu-

facture and sale of MORE THAN 200,000 WATCHES, have given our productions the very highest rank among time keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen. We are fully justified in saying that we now make more than ONE-HALF OF ALL THE WATCHES sold in the United States.
