AMERICAN WATCHES, MADE AT WALTHAM, MASS. In consequence of the recent great improvements in our manufacturing facilities, we have reduced

our manufacturing facilities, we have reduced our prices to as low a point as they can be placed WITH GOLD AT PAR, so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years, and the manufacture and sale of

have given our productions the very highest rank among tim-keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen. We are fully justified in saving that we now make more than

tified in saying that we now make more than ONE-HALF OF ALL THE WATCHES sold in the United States. The different grades are distinguished by the following trade-marks on
