PEPPERGRAMS

The first instant proved the Radical party to be April fools, for on that day they expected to carry Connecticut. The Connecticut election was held on last Monday. We know very little of the result.—Bedford Inquirer.

How utterly dumbfounded! A clap of thunder from a clear sky, could not have frightened the Inquirer chaps more completely out of their wits, than the result of the election in Connecticut. We hope, however, that they will recover their senses in time to give their readers a true account of that elec-

tion, in their next issue. The U. S. Senate have rejected the nominations of Gen. F. P. Blair as Minister to Austria, and Gen. H. W. Slocum as Naval Officer at New York. An angel of light, if of Democratic antecedents, could not pass through that limbo of lunatics with wings unsinged.

Our pride in the honest courage and faithfulness of the Governor, goes far to relieve us from the grief that accomfor such a man for Senator as Stutzman.

How about your grief as to the black mail you levied on Stutzman, in the shape of contributions to the Inquirer semble in MASS MEETING, at the establishment? Of course you regret

> Geary vetoed the bill to increase the powers of the Pennsylvania Railroad company. Another bill of a similar character, however, was not vetoed. The arguments used with the Governor to get his signature to the last named bill, are said to have been of a peculiar and cogent character.

The Bedford Inquirer copies an article from the Richmond Examiner, praising the submissiveness of the negroes and heads it "Complimentary." The editors of the Inquirer have harped so long upon the African, that they imagine a compliment to the Negro to be intended for themselves.

GREAT DEMOCRATIC VICTO-RIES IN OHIO, WISCONSIN, AND MINNESOTA!

We announced, last week, in brief terms, that Connecticut had gone Democratic. We now give the details of the election held in that State on the panies the recollection that we voted first instant, by which our readers will perceive that the Democrats of the Nutmeg State have achieved a MOST BRILLIANT VICTORY. They have elected their whole State Ticket, from Governor down, by a majority of upwards of 1,000! They have carried three of the four Congressional districts, gaining on the result of the last Congressional election, 11,500 votes! This glorious triumph was won after one of the fiercest campaigns ever witnessed in the State. A very full vote was polled and every nerve strained by the Radicals to carry their ticket. But the monstrous doctrines of the latter, the erection of a Military Despotism in ten States of the Union, the forcing of Discoveries, Papers on Movements ten-Negro Suffrage upon an unwilling people, and the financial troubles brought upon the country by the party in power, were too heavy a load for the Radical candidates to carry, and they sank beneath it, never to rise again. So let it be, not only in Connecticut, but
