COMMISSIONER. Mr. Editor:—Please announce Joseph Souser, of Napier township, as a candidate for Commissioner, subject to the decision of the Democratic county convention.

We are authorized to announce Henry Egolf of Napier tp., as a candidate for the office of Commis-sioner, subject to the decision of the Democratic county convention

INDEBTEDNESS OF THE COUNTY TO THE STATE.—It is with great pleasure that we announce to our readers that Bedford county is no longer in arrears county has struggled on under an incubus of a debt to the State. At last we have shaken off the load and are now enabled to lighten the taxes which have weighed so heavily upon us. Consid-House has been repaired and refurnish-(most of them from other counties) and that a heavy outlay has been required for the building of bridges, all within the last few years, our County Commissioners have done wonders in paying off the debt to the State. Too much credit cannot be given them for their energy in this matter, and their determination to see to it that the county should not be imposed upon by the State officials. In order to sift thoroughly the statements of the indebtedness of the county, made by the State Treasurer and Auditor General, the Commissioners sent their Attorneys to Harrisburg, to examine the books of their duty, in this respect, that even that paper as follows. "The Commissioners deserve great credit for their prompt efforts to relieve the County of a debt that was growing very rapidly and distressed our tax payers, who can rest assured they will have no State tax to pay for the year 1867." We are not so sure about not having any State tax to pay, this year. It is probable that there will not be any; but the authorities at Harrisburg have made so many contradictory statements to the Commissioners, that we prefer to wait and see before we accept the above distinguished assurance. We hope it will be all right.

BLOODY RUN SCHOOL HOUSE.-We cation, which we publish at the request of the writer. Should the other side desire to be heard, our columns are open to them.

BLOODY RUN. April 15, 1867. MESSRS. MEYERS AND MENGEL:-A majority of the tax-payers of this borough petitioned the School Directors of the same to demand rent for our School House from Professor Long who occupies it with his private school. But the Directors chose not to hear the prayers of the majority. Two of them stood up mar.fully for the interests of the majority, but the remaining four the majority of the majority. Two of them sorted stock of Hardware, House-Furing the majority of the majority of the majority. Two of them stored stock of Hardware, House-Furing the majority of the majority of the majority. Two of them stood up mar.fully for the interests of the majority of the major treated the petitioners' prayers with disrespect and contempt. Our people have been taxed oppressively and ex-cessively, in order to erect our magnifpurposes, cannot be considered an act of njustice to the worthy Professor. This building cost them over three thous-and dollars. When men borrow money, they pay 6 or 10 per cent. interest. The case of the tax-payers is similar; they have invested their money in that house, and justice demands some remuneration when used for other than common school purposes. Improvements to the school lot and repairs to the house will soon be needed. Why, then, not raise as much as possible for such expenses from rent of the building Bedford Borough rents her commodious school edifice when it is not occupied for Public School purposes. Why should not Bloody Run follow the ex-In conclusion I will say, let our School Directors beware how they deal with the rights of the majority. The people are the only legitimate sovereigns in this country and their voices must be heeded. A PETITIONER.
