JOHN W. BOWEN Esq., is a regularly authorized agent for this paper, and will visit our friends throughout the county, for the purpose of making collections and taking subscritions. We hope that his calls will be responded to in the proper spirit. We have some \$6,000 on our books, \$1,000 of which we need very badly to pay a debt we owe in bank. In fact we must collect, and if mild measures will not answer our purpose, we will be compelled to resort to harsher ones. There are many persons who pay promptly. To such, thanks! There are more who do not. To such, duns, and finally writs. We desire to oppress no man. We are willing to be liberal to those who are in straitened circumstances. But if me do not heed our request to settle, if they treat our call for payment with contempt, they have no further claim upon our generosity.
