MISHLER'S BITTERS CURE ALL DISEASES OF THE SKIN Diseases of the skin are numerous and, with but one or two exceptions, may all be traced to impurity of the blood. In many persons this impurity is born in the system; while others acquire it through improper treatment of scores of diseases. Under this head may be classed-

Inter this head may be classed—

1st, Scrofula,—This disease is hereditary and is transmitted from generation to generation. It is caused by a transgression of the laws of nature, both moral and physical; in other words, it is caused by vice. Acting as a latent poison, it reduces the vitality of the blood, and weakens the depurating organs, so that they fail to discharge or cast out the impurities that are continually generating in the system. A person physically pure acquires genorhead, or some other secret disease; he undergoes a course of mercury, the disease is dried up, and the patient pronounced well. Vain delusion. The complaint is not cured, its channel is only diverted. Instead of making its appearance outwardly, it acts on the internal organs, and scrofulas, which is bequeathed from father to son, is the result. Many persons who are perfectly free from all immorality and vice are afflicted with scrofula. They are suffering for the sins of their fathers and laboring under the curse inscribed in scribed in the Book of Books. "I will visit the iniquities of the fathers upon their children."

To cure this dreadful complain: it is necessary that the bl-od should be thoroughly purified, all the organs of the body broughtinto a healthy state of action, and the system braced up and strengthened by invigorating tonies. Look at the articles used in compounding Mishler's Bitters; see the array of purifying and invigorating medicaments, and say whether there is an article in the whole 1st, Scrofula,-This disease is hereditary and i

ray of purifying and invigorating medicaments, and say whether there is an article in the whole list of medicines that equals it. We here emphat-ically assert, without lear of contradiction, that

THE OLD GUARD, A MONTHLY MAGAZINE, DEVOTED TO

Literature, Science and Art, and the Political Principles of 1776 and 1787. C. CHAUNCEY BURR, EDITOR.

The success of THE OLD GUARD has been as remarkable as it ought to be gratifying to the friends of a true American literature. It has steadily doubled its circulation each year of its publication, and its publishers have found it necessary to annually enlarge it, to meet the full expectations of its patrons, as well as to realize their own ideal of a first-class Family and Literary Magazine, combined with sound political principles.—
To still farther earry out this design, The Old Guard for 1867 will be printed on new type, and enlarged sixteen additional pages, making in all nearly One Thousand Pages of reading matter yearly for the low price of three dollars! Arrangements have also been made to secure the very best literary talent of the country. We will commence in the January number a thrilling Romance, written expressly for The Old Guard, entitled,

JOSCELYN; A Tale of the Revolution;

JOSCELYN; A Tale of the Revolution; By Wm. Gilmore Simms, Esq., of S. C., the peer of Cooper and Irving, taking the reader back to the birth of the American principle of government, and introducing him to the rebels of 1776. John Esten Cooke, Esq., of Virginia, author of "Surry of Eagle's Nest," &c., &c., will furnish a series of graphic sketches, entitled "The Battles of Virginia," while our present corps of contributors, with some new ones, will continue to furnish articles, making the Magazine second to none in point of literary attraction and ability.—Politically, The Old Guard will stand in the fature as in the past, faithfully guarding the Constitution as it came from the hands of Washington, without acquiescing in any of the subversions, under the title of "amendments." It will be continued upon the grand idea that "all is not lost," while virtue and intelligence remain with any portion of the people. By Wm. Gilmore Simms, Esq., of S. C.,

It purifies the blood, it strengthens the internal organs and aids them to perform their natural functions, it is a stimulant and a tonic and it will cure Scrofula.

2d, Running Sores and Ulcers.—Running sores and ulcers invariably indicate a scrofulous taint. They are caused by the efforts of nature to discharge the impurities of the blood. Many persons afflicted with running sores and ulcers succeeded in drying them up and think they are cured when the skin grows over the sore. They are, however, "but making bad worse," for the impurities that were discharged from the system through the medium of the sore now act internally and cause innumerable diseases and often death. The only true and sure cure for all running sores and ulcers is Mishler's Bitters, a continued and persevering use of which will most certainly effect a permanent

3d. Salt Rheum.—Salt Rheum is a vague, indefinite, though, popular term given to almost all the non-febrile eruptions of the skin which afflict adults. It is generally an eruption of vesicles in small, distinct uleers; accompanied with a smarting, tingling sensation, with a tendency to creeper spread over the adjoining surface. Mishler's bitters are a sure cure for this disease.

4th. Pimples and Blotches.—Pimples and Blotches on the skin are always a sure sign of impure blood. Although never dangerous, except in cases of carbuncles, they are very disagreeable.—Often we will see the most handsome features rendered hideous by great blotches and pimples, and instead of the pleasing look which should irradiate the human face we see nothing but the corrupt accumulations of the system expelled through the medium of the skin. The use of Mishler's Bitters will force these corruptions to be discharged through the natural channels, and thus cures all kinds of pimples and blotches. Ladies who desire a fair complection, free from pimples should bear this fact in mind.

The World Astonished

AT THE WONDERFUL REVELATIONS MADE
BY THE GREAT ASTROLOGIST,
MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from dolefulevents, catasrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marrisges and tells you the very day you will marry, gives your name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and bidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may nevof birth, she deduces the future destiny of man. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or heard the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of l.ving witnesses (from their own experience) can bear witness. But many will say how are wet to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. EDITIONS.

The Weekly World, a large quarto sheet, same size as Daily, is now printed throughout in large type, and has the largest circulation of any weekly journal published, save one. Its extraordinary success since its union with the New York Argus has justified the most liberal expenditures, which will make it unrivalled in interest and value to farmers. Published Wednesday.

1. Its Market Reports embrace the New York, Albany, Brighton and Cambridge Live Stock Markets; the New York Country Produce and General Produce Markets; special and valuable Hop Intelligence; a department of Agricultural Reading; all together composing an unrivalled handbook of current information for the Farmer, Live Stock or Produce Dealer, Country Merchant, &c.

2. A page or more reserved for entertaining Fireside Reading for the Family circle, embracing the freshest and best Stories, Poetry, Religious Reading, etc., and a page for the Discussion of all Prominent Topics of general interest, political, agricultural, financial, literary, etc.

3. Its Digest of the News is not, like most weeklies, a mere waste-basket of the Daily; only matters of interest and importance are chosen from the Daily, while the mass of its contents are prepared especially for the Weekly.

In every postoffice district there should be found some active, public spirited Democratic friends and making a determined effort to form as large a club as possible for the Weekly World.

The Semt-Weekly World is a large quarto sheet, same size as Daily, which, by omitting a great mass of city advertisements from the Daily, contains all its news, correspondence, editorials, commercial and market news cattle market and provision reports, and a fresh and entertaining miscellany of literature. Published Tuesday and Friday.
