MISHLER'S BITTERS

CURE ALL DISEASES OF THE SKIN! Diseases of the skin are numerous and, with but one or two exceptions, may all be traced to impurity of the blood. In many persons this impurity is born in the system; while others acquire it through improper treatment of scores of diseases. Under this head may be classed-

Under this head may be classed—

1st, Scrofula,—This disease is hereditary and is transmitted from generation to generation. It is caused by a transgression of the laws of nature, both moral and physical; in other words, it is caused by vice. Acting as a latent poison, it reduces the vitality of the blood, and weakens the depurating organs, so that they fail to discharge or cast out the impurities that are continually generating in the system. A person physically pure acquires gonorhoea, or some other secret disease; he undergoes a course of mercury, the disease is dried up, and the patient pronounced well. Vain delusion. The complaint is not cured, its channel is only diverted. Instead of making its appearance outwardly, it acts on the internal organs, and scrofula, which is bequeathed from father to son, as the result. Many persons who are perfectly free from all immorality and vice are afflicted with scrofula. They are suffering for the sins of their fathers and laboring under the curse inscribed in scribed in the Book of Books. "I will visit the iniquities of the fathers upon their children."

To cure this dreadful complaint it is necessary that the blood should be thoroughly purified, all the organs of the body brought into a healthy state of action, and the system braced up and strengthened by invigorating tonics. Look at the articles used in compounding Mishler's Bitters; see the array of purifying and invigorating medicaments, and say whether there is an article in the whole

ray of purifying and invigorating medicaments, and say whether there is an article in the whole list of medicines that equals it. We here emphat-ically assert, without lear of contradiction, that Mishler's Bitters will Cure all kinds of

Scrofulous Diseases.

It purifies the blood, it strengthens the internal organs and aids them to perform their natural functions, i is a stimulant and a tonic and it will appropriate the strength of the str functions, i' is a stimulant and a tonic and it will cure Scrotala.

2d. Running Sores and Ulcers.—Running sores and ulcers invariably indicate a scrofulous taint. They are caused by the efforts of nature to discharge the impurities of the blood. Many persons afflicted with running sores and ulcers succeeded in drying them up and think they are cured when the skin grows over the sore. They are, however, "but making bad worse," for the impurities that were discharged from the system through the medium of the sore now act internally and cause innumerable diseases and often death. The only true and sure cure for all running sores and ulcers is Mishler's Bitters, a continued and persevering use of which will most certainly effect a permanent cure.

3d. Salt Rheum.—Salt Rheum is a vague, indefinite, though, popular term given to almost all the non-febrile eruptions of the skin which afflict adults. It is generally an eruption of vesicles in small, distinct ulcers, accompanied with a smarting, tingling sensation, with a tendency to creeper spread over the adjoining surface. Mishler's bitters are a sure cure for this disease.

4th. Pimples and Blotches.—Pimples and Blotches on the skin are always a sure sign of impure blood. Although never dangerous, except in cases of carbuncles, they are very disagreeable.—Often we will see the most handsome features rendered hideous by great blotches and pimples, and Often we will see the most handsome features rendered hideous by great blotches and pimples, and instead of the pleasing look which should irradiate the human face we see nothing but disgusting corruption; for pimples and blotches are nothing but the corrupt accumulations of the system expelled through the medium of the skin. The use of Mishler's Bitters will force these corruptions to be disabstrated through the notations that the disabstrated through the notations of the system. be discharged through the natural channels, and thus cures all kinds of pimples and blotches. Ladies who desire a fair complection, free from pimples should bear this fact in mind.

VOL. V. Again Enlarged! 1867. THE OLD GUARD, A MONTHLY MAGAZINE.

DEVOTED TO Literature, Science and Art, and the Political Principles of 1776 and 1787.

C. CHAUNCEY BURR, EDITOR.

The success of THE OLD GUARD has been as remarkable as it ought to be gratifying to the friends of a true American literature. It has steadily doubled its circulation each year of its publication, and its publishers have found it necessary to annually enlarge it, to meet the full expectations of its pat:ons, as well as to realize their own ideal of a first-class Family and Literary Magazine, combined with sound political principles.—
To still farther carry out this design, The Old Guard for 1867 will be printed on new type, and enlarged sixteen additional pages, making in all nearly One Thousand Pages of reading matter yearly for the low price of three dollars! Arrangements have also been made to secure the very best literary talent of the country. We will commence in the January number a thrilling Romance, written expressly for The Old Guard, entitled,

JOSCELYN; A Tale of the Revolution;

JOSCELYN; A Tale of the Revolution; By Wm. Gilmore Simms, Esq., of S. C., the peer of Cooper and Irving, taking the reader back to the birth of the American principle of government, and introducing him to the rebels of 1776. John Esten Cooke, Esq., of Virginia, author of "Surry of Eagle's Nest," &c., &c., will furnish a series of graphic sketches, entitled "The Battles of Virginia," while our present corps of contributors, with some new ones, will continue to furnish articles, making the Magazine second to none in point of literary attraction and ability.—Politically, The old Guard will stand in the future as in the past, faithfully guarding the Constitution as in the past, faithfully guarding the Constitution as it came from the hands of Washington, without acquiescing in any of the subversions, under the title of "amendments." It will be continued upon the grand idea that "ail is no! lost," while virtue and intelligence remain with any pertion of the people.
