VOL. V. Again Enlarged! 1867 THE OLD GUARD, A MONTHLY MAGAZINE, DEVOTED TO

Literature, Science and Art, and the Political Principles of 1776 and 1787. C. CHAUNCEY BURR, EDITOR.

The success of THE OLD GUARD has been as remarkable as it ought to be gratifying to the friends of a true American literature. It has steadily doubled its circulation each year of its publication, and its publishers have found it necessary to annually enlarge it, to meet the full expectations of its patrons, as well as to realize their own ideal of a first-class Family and Literary Magazine, combined with sound political principles.—To still farther carry out this design, The Old Guard for 1867 will be printed on new type, and enlarged sixteen additional pages, making in all nearly One Thousand Pages of reading matter yearly for the low price of three dollars! Arrangements have also been made to secure the very best literary talent of the country. We will commence in the January number a thrilling Romance, written expressly for The Old Guard, entitled,

JOSCELYN; A Tale of the Revolution;

By Wm. Gilmore Simms, Esq., of S. C., the peer of Cooper and Irving, taking the reader back to the birth of the American principle of government, and introducing him to the rebels of 1776. John Esten Cooke, Esq., of Virginia, author of "Surry of Esgle's Nest," &c., &c., will furnish a series of graphic sketches, entitled "The Battles of Virginia," while our present corps of contributors, with some new ones, will continue to furnish articles, making the Magazine second to none in point of literary attraction and ability.—Politically, The old Guard will stand in the future as in the past, faithfully guarding the Constitution as it came from the hands of Washington, without acquiescing in any of the subversions, under the title of "amendments." It will be continued upon the grand idea that "all is not lost," while virtue and intelligence remain with any pertion of tue and intelligence remain with any pertion of

The wonderful flexibility and great comfort and pleasure to any lady wearing the DUPLEX ELLIPTIC SKIRT will be experienced particularly in crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring Skirt.

ently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring Skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT of the Fashionable World!

To enjoy the following inestimable advantages in crinoline, viz. superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, inquire for J. W. BRADLEY'S DUPLEX ELLIPTIC, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION—To guard against imposition, be particular to notice that Skirts offered as "DuPLEX" have the red ink stamp, viz: "J W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—Lg\*none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair. REPARATOR CAPILLI REPARATOR CAPILLI

For restoring hair upon bald heads (from whatever cause it may have fallen out) and foreing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of I.ving witnesses. (from their own apparence) can have witnesses (from their own experience) can bear witness. But many will say how are we to distin-guish the genuine from the spurious? It certain-ly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, provided entire satisfaction is not given.
