AGRICULTURE.

The Executive Committee of the Bedford County Agricultural Society, met at the Court House, on Tuesday last, and organized by the appointment of Hon. G. W. Gump as President *pro tem.*, and I. D. Earnest as Secretary *pro tem.* After considerable discussion of various subjects, Hon. S. L. Russell was elected permanent President and J. W. Dickerson, Esq., Secretary. The Committee then adjourned to meet at the call of the President of the Society.

The Democratic District Attorney of Bedford county has absconded, taking with him a large sum of money belonging to soldiers' widows and others.—*Johnstown Tribune.*

Rev. Sereno Howe, pastor of a church of the Radical dispensation, and a prominent Radical member of the Massachusetts Legislature, has absconded, taking with him a large sum of virtue and reputation of the female members of his flock, including the little girls, daughters of soldiers' widows and others. Now who's ahead, the Democratic District Attorney or the Reverend Radical Legislator?—*Johnstown Democrat.*

HYDROPHOBIA.—Now that the "heated term" is near at hand, and an occasional mad dog may be expected, the following cure for hydrophobia will be *apropos.* A gentleman furnishes it for the *National Intelligencer*, and vouches for its efficacy: "Spirits of hartshorn is a certain remedy for the bite of a mad dog. The wound should be bathed constantly with it, and three or four doses, diluted, taken inwardly during the day. The hartshorn decomposes chemically the virus insinuated into the wound, and immediately alters and destroys its deleteriousness."

HOME PAPERS.—Recollect if a home weekly paper is to be supported, home influence must do it. Every dollar sent to an eastern paper is at the expense of the local journal. A county acquires prominence through its papers more than in any other way, and to every one who has an interest in his county at heart, his home paper is a necessity. Never will such a man take a paper from home until he is able to take a second paper. His first paper will be his home sheet and he will so identify his own interest with that of his county paper, as to consider his subscription as much a matter of yearly duty as payment of his taxes.

MORE ABOUT GOLD.—There seems to be a considerable excitement manifested in this neighborhood, in consequence of gold having been discovered in the Blue Hills, situated in the lower end of Germany Valley. The indications were first observed by Mr. C. V. Trew some time ago, on the property of Mr. Moody. Since then the same quartz has been discovered elsewhere in the neighborhood. The ore has been analyzed by three assayers in New York, and each reports it to contain gold to the value of from thirteen to sixteen dollars a ton. We understand that parties are about leasing the lands on which the discoveries have been made, and intend shortly to commence operations.—*Mt. Union Times.*

DISGUSTING.—Our neighbors across the corner "break in upon" the corner loafers in the following startling paragraph: "We this week publish, in another column, under the head of 'How a Loafers was Rebuked,' a few pregnant lines. There is another class of 'platter-brains' who are equally culpable. We mean that class who stand in the street corners and in the office-doors and observe every lady passer by. The moment they see a lady enter a place of business they post off at once, and break in upon her, when, in all probability, she desires to transact business of a nature that she does not wish all the world to know, and especially the ungentlemanly intruder who thus breaks in upon her. We have seen so much of this that we are disgusted with it."

The subscribers to the *Inquirer* should keep close watch upon the paper containing those "pregnant lines." When the period of gestation terminates, they may have a house full of lines. If there be any "platter-brains" in their families they will not want the "lines," or anything else "equally culpable." We agree with the *Inquirer* that it is enough to disgust any one to see the "platter-brains" "break in upon" a lady, "when, in all probability, she desires to transact business of a nature that she does not wish all the world to know," &c.

THE GOLD AND SILVER EXCITEMENT.—We have received a specimen of the gold ore discovered in the lower end of the county, which has been created such a sensation. It is now on exhibition at this office, where it can be seen by the curious or the interested. We are informed on what seems to be good authority that the ore (same as that in our possession) has been tested by scientific men of Philadelphia and has been pronounced by them to contain gold beyond doubt, and in good paying quantities. We have sent specimens of the ore to various places (New York among the rest) in order that it may be subjected to the closest examination and feel assured that ere long we will be able to remove all doubt about the genuineness of our precious mineral discoveries.—The geological complexion of Fulton county bears a striking similarity to that of all the gold-and-silver-bearing regions we have ever read descriptions of.

We clip the above from the *Fulton Democrat*, of last week. Little Fulton is certainly progressive. In the first place she has handsomely increased her Democratic majority, secondly, gold and silver are being discovered within her borders; and lastly, a movement is in progress to construct a railroad for the shipment of the precious metals to Philadelphia for coinage. "To all of which we say, bully for Fulton!"

CAPT. H. D. WOODRUFF, editor of the *Johnstown Democrat*, is the Director from Cambria county to the June Democratic State Convention.

MEETING OF CLASSIS.—The Mercersburg Classis of the German Reformed Church, convened at Pottsville, Bedford Co. Pa., on the evening of the 17th inst. The opening sermon was preached by Rev. H. Heckerman of Bedford. Rev. Walter E. Krebs of Waynesboro, was elected President.—Saturday was taken up chiefly by the reading of parochial reports. From these it was manifest that the ministers within the bounds of this Classis are active in their work, and that their congregations, generally, are in a good condition. During the past year several new charges were formed, and at the present meeting, permission was granted for the organization of three new congregations.

Three students, who had just graduated at the Theological Seminary at Mercersburg, were examined and licensed, and two of them were ordained to the holy ministry and appointed to Missionary fields in Iowa.—Several young men about commencing their studies for the ministry were taken under the care of Classis. The Classis would cheerfully assist in supporting still more, as there is a great want of ministers throughout the Church. Large fields are being divided, new congregations are organized, but many of them are vacant and are anxiously waiting for someone to come and preach the Gospel and break into them the bread of life.

The pastoral relationship existing between Rev. D. W. Gerhard and the McConnellsburg charge was dissolved and Mr. Gerhard was dismissed to the Lancaster Classis in whose bounds he expects to labor. A committee, consisting of Rev. I. G. Brown, Prof. E. E. Higbee and Rev. J. B. Kershner, was appointed to supply the McConnellsburg charge and assist the members in securing another pastor. The committee expect to have services in the church in McConnellsburg, in two weeks from next Sunday, the 16th of June, at 10 A. M.

The above is furnished by a writer in the last week's *Fulton Republican*. Whenever we want any local news we are compelled to go away from home to obtain it. Our people don't appear to be troubled, to any alarming extent, with the *caveolae scribendi*.

SUNDAY SCHOOL CONVENTION.—The seventh annual Sunday School Convention of the Juniata District, East Baltimore Conference, Methodist Episcopal Church, met at Bloody Run, Bedford County, on Tuesday, May 28th, 1867.

The Rev. Thos. Barnhart, Presiding Elder of the District, presided, and Rev. J. D. Stewart of Tyrone, and J. H. Ross of McEwytown, Secretaries. The number of ministers in attendance was about twenty-five, and sixty representatives, besides a few visiting Clergy, and a number of Sunday School workers.

The Convention held sessions on Tuesday, afternoon and evening, and on Wednesday morning, afternoon and evening; closing its meeting at about 10 o'clock, P. M.

The attendance at the meeting was good, and interesting and profitable to all present, and considered in many respects the best and most religious Convention as yet held in the District. All earnest workers in the Sunday School cause, were invited to take part in the discussions and exercises of the Convention.

Quite an interesting discussion arose in regard to policy and benefit of holding at some future time in this District, a Sunday School Institute. The matter was finally disposed of by placing the matter in the hands of Bro. Barnhart, who was directed by Convention to make all needful arrangements if services of Rev. J. H. Vincent could be obtained.

The Children's meeting, on Wednesday morning, was very interesting. Addresses were made by Rev. D. S. Monroe, Rev. W. Gwynn, Rev. E. E. Wilson, and Rev. J. P. Moore, accompanied with singing by school: "Where do you journey my brother," "The Shining Way," "Climbing up Zion's Hill," "Beautiful River," and "Nearer my Home."

The annual Sermon before the Convention, was preached on Tuesday evening, by Rev. George Warren, of Birmingham Circuit. The sermon was able, forcible, practical and beneficial to all. A number of topics were brought by the committee, before the Convention, and created quite an interesting debate and discussion.

Quite a number of interesting remarks were made on the Temperance question. *Resolved.* That it is the duty of S. S. Officers and Teachers, to impress the principles of Temperance upon the minds of the children committed to their care.

The following topics were also discussed: "Sunday School Normal Schools," "Duty of preachers to Sunday Schools," "How to open and close Sunday Schools," "Admit Bible Classes," "On the management of Infant classes," "How to secure attention, theaffections, and conversion of Sunday School scholars."

The following resolutions on the above, and other topics, were offered and passed: *Resolved.* That the best plan to raise missionary money, is the plan set forth in the Discipline, by organizing our schools into Missionary Societies.

Resolved. That there should be, (as far as practicable,) a Normal class in connection with each of our schools, and all S. S. Superintendents and Teachers should be members of the same.

Resolved. That we hold our next Sunday School Convention in Huntingdon, on the last Tuesday in May, 1868 at 1 o'clock, P. M., and close on Wednesday night.

Resolved. That the thanks of this convention are due, and are hereby tendered to the families of this place for their generous and unsurpassed hospitality to delegates and visitors. Also to P. C. R. & Huntingdon & Broad Top R. R. Companies, for return tickets over their respective roads.

It is stated that Brimstone Brownlow is projecting a navy—in the shape of two old iron plates—for service on the Cumberland river, and thus co-operate with his land forces in keeping "rebels" from the polls. Bottled Butler would be a suitable beast to command the squadron.
