ESTEY'S COTTAGE ORGANS are still ahead of all competitors and stand unrivalled in POWER, PURITY OF TONE and BRILLIANCY, and all other points which go to make a first-class instrument.
The "VOX HUMANA TREMOLO" is the greatest of all modern improvements on reed instruments. It CHARMS and SURPRISES all who hear it, by its wonderful resemblance to the HUMAN VOICE. Do not confound this with the common tremolo in use. It is entirely different, and far superior to any other.
For sale wholesale and retail by
E. M. BRUCE.

☞ Send for descriptive circular and price list.
The effect of your "Tremolo" is entirely new to me, and is certainly the *best* I ever heard.—GEO. W. MORGAN. [The first Organist of America.
No Tremolo has yet been invented that will in any degree compare with this for beauty of effect. In fact, it seems to me to be absolutely perfect.—WM. A. JOHNSON Pipe Organ Builder.
Estey's Cottage Organs are without a superior for exceedingly quick articulation and round tone—the essential features in instruments of this class—GEO. JARDINE, Pipe Organ Builder.
The Cotttge Organ is the best of its class I ever saw, and the best adapted for church music of any in use.—C HEINTZ. Organist, Findlay, O.
I am much pleased with the Cottage Organ which I purchased from you; it combines sweetness and power in an unusual degree, and is quite a favorite in our family circle.—BISHOP SIMPSON.
We know no organs of the class which possess so many valuable qualities.—INDEPENDENT.
For the parlor, its sweetness is remarkable; for the church it has a power more organ-like than anything we have seen.—METHODIST.

1867.—"THE WORLD."—1867.
The attention of the public is invited to the claims of "The World" as one of the leading public journals of the country. It is the chief organ of the Democratic Party of the United States, and the foremost advocate of the immediate restoration of the Union. Its highest merits consists in its character as an enterprising and trustworthy newspaper.
The next year bids fair to be a more critical one in the history of our free institutions than even any eventful ones that have preceded it. The first requisite for an intelligent judgment of public affairs is a full and authentic account of facts as they transpire. These THE WORLD always aims to give with consciencious accuracy, and with equal fullness and fidelity, whether they make for or against its own views of public policy. Prompt activity in spreading before its readers every kind of news in which any part of the public takes an interest, is the first duty of a newspaper, and the facilities of THE WORLD for discharging this obligation are unsurpassed by those of any journal in the United States. Whatever else it may fail in, it certainly will not fail to furnish the news, nor to supply it with such promptitude, spirit, freshness, abundance, variety, accuracy and candor, that no class of readers can miss anything of interest which they wish to find. THE WORLD will publish documents and arguments prepared by political foes just as freely as those prepared by political friends; making its own comments on them, of course, but never suppressing or garbling them because they are calculated to damage its own party. Adverse arguments, which it cannot refute, it is content to leave to make their full impression. THE WORLD accepts this rule because it believes no other is honest; because it conceives that its first duty to its readers is to keep them thoroughly informed on every passing subject of importance. In politics, THE WORLD will continue to be the bold advocate of a Liberal, Progressive Democracy. The unflinching champion of Freedom, Justice, Order and Constitutional Rights. The inspiration of its politics is Freedom restrained by Justice; or, to speak more strictly, Freedom pure and simple, in the largest collective measure; the office of justice being merely to protect freedom from encroachments; Freedom of the individual citizen in his rights of thought, speech, religion and locomotion; in his Right to choose his own food and drink, in spite of meddlesome temperance laws; in his Right to make any money bargains he thinks proper, in spite of foolish usury laws
