UNION PACIFIC RAILROAD,

Running West From Omaha ACROSS THE CONTINENT, ARE NOW COMPLETED

The Union Pacific Railroad Company have built a longer line of railroad in the last eighteen mouths than was ever built by any other company in the same time, and they will centinue the work with the same energy until it is completed. The Western Division is being pushed rapidly eastward from Sacramento by the Central Pacific Company of California, and it is expected that

#### THE ENTIRE GRAND LINE

to the Pacific will be open for business in 1870. More than one-third of the work has already been done, more than one-third of the whole line is now order and more laborers are n ployed upon it than ever before. More than FORTY MILLION DOLLARS IN MONEY have already been expended by the two powerful companies that have undertaken the enterprise, and there is no lack of funds for its most support to the light of the support should render its speedy completion beyond a doubt. The available means of the Union Pacific

The interest on these bonds is paid by the United States government, which also pays the company one-half the amount of its bills in money for transporting its freight, troops, mails, &c. The remaining half of these bills is placed to the company's credit, and forms a sinking fund which Having thirty years to run and bearing six pe pany's credit, and forms a sinking fund which may finally discharge the whole amount of thi lien. The claims against the government since April of the current year amount to four and one half times this interest.

#### 2.—FIRST MORTGAGE BONDS.

By its charter the Company is permitted to issue its own First Mortgage Bonds to the same amount as the bonds issued by the government, and no more, and only as the road progresses. The Trustees for the bondholders are the Hon. E. D. Morgan, U. S. Senator from New York, and the Hon. Oakes Ames, Member of the U. S.
