

GEN. GRANT AND THE PRESIDENCY.

A meeting of the bondholding nabobs of New York city, held a few days ago, nominated Gen. U. S. Grant for President.

If Grant is to be the nominee of the Radical party, we are glad that he has first been nominated by these bondholders.

As for the Radicals, they appear to be so intensely alarmed at the tendency of popular feeling, that they will, doubtless, take Grant, fearing to risk the race with any other candidate.

THE U. S. Senate is about to go through the fate of re-instating Stanton in the War Office, in order to give him an opportunity to resign.

DETROIT, Jan. 2.—The First National Bank of Bay City, Mich., failed today. The affairs of the bank are reported to be in a bad condition.

CHARLESTON, S. C., Jan. 5.—A passenger train was fired into last night by negroes, between Branchville and Columbia.

Now, why don't the Radicals howl? Why don't some of them say something about the "spirit of rebellion" that is exhibited by these marauding blacks?

THE LEGISLATURE met on Tuesday last. We have, as yet, heard nothing concerning the organization.

MUMBO-JUMBO.

The Radicals still persist in their attempt to force upon the unwilling people of the United States, their diabolical scheme for the "reconstruction" of the excluded States.

Thus the Associated Press. So it seems the Radicals had to send a negro from Boston, in order to fill the number of "delegates" to the Georgia Mumbo-Jumbo "Convention."

THE PRESIDENT received the following dispatch from Memphis to-day, (Jan. 3): "Memphis is redeemed. Leftwich elected mayor. Peace, order and quiet prevail. Free white suffrage vindicated."

HON. EDGAR COWAN.

IN the event that the Democratic nominee for President be taken from some other State than Pennsylvania, we have a decided preference for Hon. EDGAR COWAN for the second place on the ticket.

THE PHILADELPHIA Age of Saturday last, has the following article which we endorse most heartily: In the beginning of the new year a word or two in behalf of the Democratic press of the country will not be out of place.

THE EVENING HERALD, Philadelphia, is a Democratic afternoon daily, which was started, some time ago, as a penny paper, and which has just been enlarged and otherwise improved.
