CLEARFIELD, Pa., Dec. 10, 1867. Dear Sir:—The Spring Elections are approaching and it is of vital importance to us, in the great contest now pending, that we should secure in evyour especial attention to this subject. I need not attempt to demonstrate its importance, all appreciate it. Let me ter, and act accordingly. Arouse our friends in every district; show them to carry every sure and doubtful district Where we are in a minority, place a man of high character, well informed and courageous, on the Board, as our Inspector; In such districts see that our very best men are selected. It is a great error to fill such places with

Lists of doubtful men and of those me all of these that you can obtain.

There are a great many aliens, ready for naturalization, throughout State. All must now be naturalized. Your labors and mine will be lessened, if you will obtain their names and residences at an early day and give me the probable cost of naturalizing them. In arranging for your spring elec-tions, you can obtain this information

dress of two active Democrats in each election district in your county, I will be obliged if you will do so.

Very respectfully, yours, WM. A. WALLACE, Chairman. This is excellent advice. We hope our Democratic friends in the several districts of this county, will at once proceed to carry out the suggestions of Mr. Wallace. Let every district have a committee on Naturalization and see to it that all who are entitled to citi-

zenship apply for papers.

At a meeting of the association held at the Court House, on Monday evening last, it was resolved to hold a Festival for the benefit of the Bands, on Monday and Tuesday nights of February Court. A theatrical entertainment was also proposed, which settlement. jan17w6* RICHARD T. FOOR, Adm'r. association deserves the support of the people of the county, and should be liberally encouraged. The citizens of Bedford borough alone have contributed about \$1000, in round numbers, to start and keep afloat the two bands, which is too much money to be invested in a mere temporary institution.

A NEW LITERARY ENTERPRISE.— Great liberality on the part of the publishers.-\$1,000,000 to be awarded to the subscribers.—Novel plan to induce a large circulation.

We have been favored with advance sheets of a new monthly magazine, issued on an entirely new plan, by Messrs. Evans & Co., publishers.

From our knowledge of the parties engaged in this enterprise, we feel justified in asserting that their undertaking will be a success, and in all respects satisfactory to the public.

In addition to the attractions of a fresh and interesting monthly, containing articles from the best authors in this country and Europe, as the title indicates, the publishers draw upon the whole work for topics of interest, and offer as inducements (if such were needed) a "dividend system" of an entirely original character, in which all their patrons will participate. This department is under the personal supervision and exclusive control of Mr. George G. Evans, long and favorably known as a gentleman of experience, capability, enterprise and probity. We commend to all a perusal of the "prospectmend to all a perusal of the "prospectus," wherein the distinctive features of the entrprise are fully set forth, feeling satisfied that the result will be an immense circulation of their new monthly, "The World at Home."
