"THE AGE."

A Democratic Daily and Weekly Journal in Phil adelphia. The attention of the Democrats and Conserv The attention of the Democrats and Conservative-citizens of the country is called to the Dairy
and Weekly issues of this widely circulated journal. The dissemination of sound political dectrines should command the earnest attention of
every true friend of the Union and the Constitution. The events of the past political year are
full of significance. The uprising of The People
in opposition to the destructive policy of Radicalism, clearly shows that the masses are determined
to restore again to power the great Democratic

in opposition to the destructive policy of Radienlism, clearly shows that the masses are determined to restore again to power the great Democratic party, every page of whose history is filled with the glory and prosperity of our common country. No more effectual method for presenting the Truth can be devised, than in circulating Democratic journals. It is the intention of the Proprietors of The Age to make it, in every way worthy of the support and confidence that have heretofore been extended to it. Improvements are contemplated in every department, and no pains or expense will be spared to keep it in the front rank of American journalism.

The Duily Age contains the latest intelligence from all parts of the wirld, with articles on Government, Politics Trade, Finance, and all the current questions of the day; Local Intelligence, Market Reports, Prices Current, Stock Quotation, Marine and Commercial Intelligence, Reports of Public Gatherings. Foreign and Domestic Correspondence Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literature, Art and Music, Agricultural Matters, and discussions of whatever subjects are of general interest and importance. Besides Special Telegrams, it has all the dispatches of the Associated Press from every part of the United States, and also the Associated Press dispatches received by the Atlantic Cable; and the news from all parts of Eu ope brought by the steamers, is instantly telegraphed from whatever point the Steamer first touches.

to law.

THOS. II. STIFFLER.
