DEMOCRATIC STATE NOMINATIONS. FOR AUDITOR GENERAL. HON. CHARLES E. BOYLE. of Fayette County.

FOR SURVEYOR GENERAL GEN. WELLINGTON H. ENT.

Campaign Gazette!

REPUBLICAN GOVERNMENT. Civil Liberty and Constitutional Rights!

NO STANDING ARMY! NO FREEDMEN'S BUREAU : NO NEGRO STATES!

White Men Must Rule America

"Light, more light!" is the startling cry of the honest people groping in the darkness of Radicalism. "Light. more light!" shouts the groaning taxpayer, bending under the load which a Radical Congress has heaped upon him. "Light, more light!" is the pleading cry that comes to us from those who earnestly seek a remedy for the disease that is tugging at the visee! Read and ye shall know! The BEDFORD GAZETTE, for the Presidential Campaign, will be a complete compendium of political news, speeches, documents and every thing that pertains to a political canvass in the columns of a weekly newspaper. It will be published from the first day of June until the seventh of November, next, at the following low terms, eash in advance:

One copy, Twenty copies, 25.00 Fifty copies,

THE "WORLD" AND "AGE." We will also furnish the GAZETTE and New York Weekly World, or Philadelphia Weekly Age, for the campaign, at the following rates:

6.00

1 copy GAZETTZ, and 1 of World, or Age, \$ 1.75 10 copies do and 10 do do 15 00 20 do do and 20 do do 28.00 50 do do and 50 do do 65 00

Not only should every Democrat have his county newspaper, during the coming campaign, but he should likewise make it a point to furnish his Republican neighbor a copy. This is the plan upon which our opponents have acted for years, and it is about time that Democrats do something of the same sort. NOW, GO TO WORK than you will by any other means in throughout the county, are enabled, by cost. We appeal to them to see to getting up clubs, and to see to it in time. Now is the time to sow the seed. After a little while the heat of passion and prejudice will beam upon the publie mind in all its intense fierceness, and then seed-time will have passed. Friends, let us hear from you!

Bedford Inquirer, of last week, lectures us on publishing too many political articles, "very well written ones, too." Now, we shall treat our neighbors better. We do not object to their paper on account of the number of their political articles, and as to the quality of them, we are quite sure we have no right to complain.
