Campaign Gazette REPUBLICAN GOVERNMENT Civil Liberty and Constitutional Rights!

NO STANDING ARMY! NO FREEDMEN'S BUREAU! NO NEGRO STATES! White Men Must Rule America

"Light, more light!" is the startling cry of the honest people groping in the darkness of Radicalism. "Light, more light!" shouts the groaning taxpayer, bending under the load which a Radical Congress has heaped upon him. "Light, more light!" is the pleading cry that comes to us from those who earnestly seek a remedy for the disease that is tugging at the vitals of the nation. Look and ye shall see! Read and ye shall know! The BEDFORD GAZETTE, for the Presidential Campaign, will be a complete compendium of political news, speeches, documents and every thing that pertains to a political canvass in the columns of a weekly newspaper. It will be published from the first day of June until the seventh of November, next, at the following low terms, cash in ad-

GROESBECK'S GREAT SPEECH.

We give, on our first page, a pretty full report of the scarching and impressive argument made before the High Court of Impeachment, in defence of President Johnson, by his counsel, Hon. W. S. Groesbeck, of Ohio. It completely annihilates the filmsy charges brought against the President in the Articles of Impeachment. So powerful was the effect of cause we Radicals can't talk about any their own partizans in the United States bearance and fortitude in what are clasped with a cow of Hoods, from the Cause we Radicals can't talk about any their own partizans in the United States called little things which are tests of which it widens out into long scarf Mr. Groesbeck's speech, that the Chief Justice, and Senators, without distinction of party, congratulated him upon his masterly effort. During its delivery, Senators gathered about him, the most Radical among them moving their chairs near the speaker, and ev- gress? en Sumner suspending his letter-writing to listen to him. We recommend our subscribers, after reading the speech, to hand it to their Radical neighbors, as it is the only way in which those people will ever get to see it. Let your light shine!
