"THE AGE," "THE AGE." A Democratic Daily and Weekly Journal in Phil adelphia.

The attention of the Democrats and Conservative-citizens of the country is called to the Daily and Weekly issues of this widely circulated journal. The dissemination of sound political doctrines should command the carnest attention of every true friend of the Union and the Constitution. The events of the past political year are full of significance. The uprising of The People in opposition to the destructive policy of Radicalism, clearly shows that the masses are determined to restore again to power the great Democratic party, every page of whose history is filled with the glory and prosperity of our common country. No more effectual method for presenting the Truth can be devised, than in circulating Democratic journals. It is the intention of the Proprietors of The Age to make it, in every way worthy of the support and confidence that have heretofore been extended to it. Improvements are contemplated in every department, and no pains or expense will be spared to keep it in the front rank of American journalism.

The Daily Age contains the latest intelligence The Daily Age contains the latest intelligence from all parts of the world, with articles on Government, Politics, Trade, Finance, and all the current questions of the day; Local Intelligence, Market Reports, Prices Current, Stock Quotation, Marine and Commercial Intelligence, Reports of Wall Paper, Public Gatherings, Foreign and Donestic Correspondence Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literature, Art and Music, Agricultural Matters, and discussions of Music, Agricultural Matters, and discussions of whatever subjects are of general interest and importance. Besides Special Telegrams, it has all the dispatches of the Associated Press from every part of the United States, and also the Associated Press dispatches received by the Atlantic Cable; and the news from all parts of Europe brought by the steamers, is instantly telegraphed from whatever point the steamer first touches.

The Wealth Ace will be a complete compendi-

ever point the steamer first touches.

The Weekly Age will be a complete compendium of the news of the week, and besides the leading editorials from the Daily, will contain a large amount of interesting matter prepared expressly for the weekly issue. It will be in all respects a first-class family journal, particularly adapted to the Politician, the Farmer, the Merchant, the Family Circle, and the General Reader, having, in fact, every characteristic of a live newspaper. At an early day will be begun an intensely interesting serial, by one of the most popular and fascinating authors, and it is also the intention to publish, from week to week, in the course of the year, three or four of the best and latest novels.

The "VOX HUMANA TREMOLO" is the greatest of all modern improvements on reed instruments. It CHARMS and \$URPRISES all who hear it, by its wonderful resemblance to the HUMAN VOICE. Do not confound this with the common tremolo in use. It is entirely different, and far superior to any other.

The effect of jour "Tremolo" is entirely new to me, and is certainly the best I ever heard.—Geo. W. Morgan. | The first Organist of America. No Tremolo has yet been invented that will in any degree compare with this for beauty of effect. Ia fact, it seems to me to be absolutely perfect.— Wм. A. Johnson, Pipe Organ Builder.

Estey's Cottage Organs are without a superior for exceedingly quick articulation and round tone—the essential features in instruments of this class.—Geo. Jardine, Pipe Organ Builder.

The Cotttge Organ is the best of its class I ever saw, and the best adapted for church music of any in use.—C. Heintz, Organist, Findlay, O. I am much pleased with the Cottage Organ which I purchased from you; it combines sweetness and power in an unusual degree, and is quite a favor-ite in our family circle.—Bisnor Simpson.

1867. The attention of the public is invited to the claims of "The World" as one of the leading public journals of the country. It is the chief organ of the Democratic Party of the United States, and the foremost advecate of the immediate restoration of the Union. Its highest merits consists in its character as an averaging and treatment of the Union. character as an enterprising and trustworthy news-

character as an enterprising and trustworthy newspaper.

The next year bids fair to be a more critical one in the history of our free institutions than even any eventful ones that have preceded it. The first requsite for an intelligent judgment of public affairs is a full and authentic account of facts as they transpire. These The Wonto always aims to give with consciencious accuracy, and with equal full-ness and fidelity, whether they make for or against its own views of public policy. Prompt activity in spreading before its readers every kind of news in which any part of the public takes an interst, is the first duty of a newspaper, and the facilities of The World for discharging this obligation are unsurpassed by those of any journal in the United States. Whatever else it may fail in, it certainly will not fail to furnish the news, nor to supply it with such promptitude, spirit freshness, abundance, variety, accuracy and candor, that no class of readers can miss anything of interest which they wish to find. The World will publish documents and arguments prepared by political foes just as freely as those prepared by political friends; making its own comments on them, of course, but never suppressing or garbling them because they are calculated to damage its own party. self, it boldly challenges comparison with every journal in the metropolis.

The Weekly World, a large quarto sheet, same size as Daily, is now printed throughout in large type, and has the largest circulation of any weekly journal published, save one. Its extraordinary success since its union with the New York Aracrs has justified the most liberal expenditures, which will make it unrivalled in interest and value to farmers. Published Wednesday.

1. Its Market Reports embrace the New York, Albany, Brighton and Cambridge Live Stock Markets; the New York Country Produce and General Produce Markets; special and valuable Hop Intelligence; a department of Agricultural Reading; all together composing an unrivalled handbook of current information for the Farmer, Live Stock or Produce Dealer, Country Merchant, &c.

2. A page or more reserved for entertaining Fireside Reading for the Family circle, embracing the freshest and best Stories, Poetry, Religious Reading, etc., and a page for the Discussion of all Prominent Topics of general interest, political agricultural, financial, literary, etc.

3. Its Digest of the News is not, like most weeklies, a mere waste-basket of the Daily; only matters of interest and importance are chosen from the Daily, while the mass of its contents are prepared especially for the Weekly.

In every postoffice district there should be found some active, public spirited Democrat, who will confer a benefit upon us, his neighbors, and the cause, by counseling with his Democratic friends and making a determined effort to form as large a club as possible for the Weekly.

The Semi-Weekly World is a large quarto sheet, same size as Daily, which, by omitting a great mass of city advertisements from the Daily, contains all its news, correspondence, editorials, commercial and market news. cattle market and provision reports, and a fresh and entertaining miscellany of literature.
