A STANDARD WORK .- A dictionary of the Bible, Comprising its antiquilies, Biography, Geography and Natural History, with numerous Illustrations and Maps. Edited by William Smith, LL. D. Published by Messrs. J. B. Burr & Co., Hartford, Ct.

This work is a timely response to a wide-spread and urgent necessity of all Bible readers. Being the only American Edition of the only abridgement by the author's own hand of his voluminous Dictionary, which is too costly for the common purse-it is at once the only perfectly reliable and practical one, containing all that the general reader and student can wish. The publishers have in this given the public a volume of which they may well be proud. It Mach is a standard work, commends itself to all who examine it, and should be
