TRY AGAIN .-- The Inquirer, of the 5th inst., endeavored to slur the gallant Democratic soldier, Gen Hancock, by referring to him as having taken a conspicuous part in the court martial that tried and condemned Mrs. Surratt. Now, the editors of that delectable sheet either knew that they were publishing deliberate falsehoods, which they could easily palm off on their readers as truth, or their knowledge of recent events is sadly deficient. We Radical of the deepest, darkest hue, military orders as the President saw proper to make in the case.

THE modesty of the "fighting" editor of this paper, were he at home, would prevent the following flattering notice, from the Bedford county Press. from being copied into this paper, but, regardless of consequences, "ye local" takes the responsibility of doing so.

PROMOTED.-B. F. Meyers, Esq., for twelve years past editor of the Bedford Gazette, has purchased a controlling interest in the Patriot & Union, a daily Democratic journal published at Harrisburg. The Patriot & Union is a capitol of the State is regarded as the entral organ of the Democratic party in Pennsylvania.

Mr. Meyers is a political writer of no ordinary calibre, and the GAZETTE having greatly improved under his control we know the Patriot and Union will be considerably invigorated by this addition to its editorial corps. He will still retain his interest in the GAZETTE, He will and after the close of the twelfth vol ume, (August) under his supervision. it will be enlarged to an eight column paper, making it among the largest weeklies published in the State.

DESTROYED BY FIRE.-We were sorry to learn of the destruction by fire, on Wednesday last, the house of Mr. Abraham Shaffer, of West Providence township, with all its contents except a bureau and a few other articles that are of little value. The family were all absent at the time, except a servant girl of about twelve years of age, that was left churning. Shortly after the deparnames to the President of the Conven- ture of the family, the servant girl visited a near neighbor, and when arriving there, she looked back upon the house she had just left and beheld it in flames.

Mr. Shaffer is a young man, of industrious habits and most that he had accumulated was the result of hard labor, which makes the loss severely felt by him. This is the third house destroyed by fire in that neighborhood, within quite a recent period, which gives room to suspicion an incendiary has been at work there.

As an advocate of sound political sentiments favoring no faction, clique or section, but devoting its entire energies to the good of the whole party; as a vehicle of the latest news, and a chronicler of passing events, we are determined that shall not be excelled; and we confidently appeal to a discriminating public for that appreciation and encouragement which are indispensable to success.
