 MANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of Dr. CULVERVELL'S CREERLATED ESSAY on the radical cure (without medicine) of SPER-MATORHAGE, or Seminal Weakness, Involuntary Seminal Losses, Impediency, Mental and Physical Incapacity, Impendiments to Marriages, etc.; also, CONSUMPTON, EFILEPSY and FITS, induced by self-indulgence or sexual extravagance.
 The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
 This Lecture should be in the hands of overy youth and every man in the land.
