

Democratic Nominations.

NATIONAL FOR PRESIDENT, HON. HORATIO SEYMOUR, OF NEW YORK.

FOR VICE PRESIDENT, GEN. FRANK P. BLAIR, OF MISSOURI.

FOR AUDITOR GENERAL, HON. CHARLES E. BOYLE, OF PENNSYLVANIA.

FOR SURVEYOR GENERAL, GEN. WELLINGTON H. ENT, OF CALIFORNIA.

JUDICIARY. ADDITIONAL LAW JUDGE, J. McDOWELL SHARPE, of Franklin Co., Pa. (Subject to decision of District Conference.)

COUNTY CONGRESS. B. F. MEYERS, of Bedford. (Subject to decision of District Conference.)

COMMISSIONER. ABRAHAM WILSON, of Somerset, GEORGE McGOVERN, of Fulton.

POOR DIRECTOR. DANIEL P. BEZELLE, of St. Clair.

COUNTY SURVEYOR. HENRY EGOLF, of Snyder.

CORONER. DR. P. H. PENNSYLVANIA, of Bloody Run.

AUDITOR. M. A. HUNTER, of Broad Top.

THE BLACK TEST. "I do solemnly swear that I accept the civil and political equality of all men, and agree not to attempt to deprive any person or persons, on account of race, color, or previous condition, of any political or civil right, privilege, or immunity enjoyed by any other class of men. So help me God."

No northern man, soldier or civilian, can become a citizen of any of the "reconstructed states," without taking this oath.

Is the Union restored? Not according to the Grant Reconstruction platform.

UNEQUAL TAXATION. The Bedford Inquirer, being opposed to Equal Taxation, it follows, is in favor of Unequal Taxation.

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

REMEMBER. It should be remembered by those who have been deprived of their suffrages by the infamous Deserter Law, that that odious enactment has been wiped out of the statute-book by the decision of the Supreme Court.

If greenbacks are good enough for the soldier, the laborer, the farmer, the miller, the butcher and the shop-keeper, are they not good enough for the bond-holder?

THE MARCH TO DESPOTISM. No election in Virginia, No election in Mississippi, No election in Texas, No election in Florida.

"To send a parcel of Northern men here as representatives, elected, as would be understood (and perhaps really so) at the point of the bayonet, would be disgraceful and outrageous, and were I a member of Congress here, I would vote against admitting any such man to a seat."

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

Who boasted that they would not vote a man nor a dollar to put down the Rebellion? The Democratic Party.

"You lie, you villain, you lie!" Had it not been for Democratic soldiers and Democratic contributions of money, the rebellion could not have been subdued, and you know it, you white-faced hypocrite.

The White Boys in Blue are all a-glow with enthusiasm. They declare that they will have the Union for which they fought, and nothing less.

Let us have peace.

ARE YOU AT WORK?

Democrats of the several election districts of Bedford County! The time for work is at hand. If you are active, untiring, a great victory awaits you. From all parts of the county comes the most cheering news.

Is the Union restored? Not according to the Grant Reconstruction platform.

THE Inquirer says that Tom Marshall, "though possessing a genial life," (he must possess a charmed life to stand such plating with bovine excrement) "had been stigmatized in coarsest language, in a public journal."

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

A RADICAL REBELLION THREATENED. Johnson, of Missouri, Declares that Seymour's Inauguration Shall Be Prevented By Force!

The Radicals are preparing to rebel in case any of the Southern States are needed to elect the Democratic candidate. Johnson, their candidate for Attorney General of Missouri, made a speech at Safford, in that State, a few days since, in which he said, repeating the sentiment several times:

"There could and should be but one result to the election this fall—that General Grant, backed by the army and supported by the whole Radical party, would prevent, with the bayonet, the inauguration of a Democratic administration at Washington, and that the Radical State Government at Jefferson would resist and put down in the same way any attempt to inaugurate the Democratic party into power in this State."

Such is the revolutionary and bloody purpose of these desperate Radicals. The only way to settle them, is, for the people of the Northern States to overwhelm them at the polls.

Is the Union restored? Not according to the Grant Reconstruction platform.

MORE LIES. The Inquirer of last week is brim-full of such lies as the more respectable Republican journals think it a disgrace to print. We copy:

"The 'Lost Cause' to be Re-ignited. 'What the Confederacy fought for will be won by the election of Seymour and Blair—Gov. Z. B. Vance. Secession not Dead.'

"I do not care for the platform. It tells a lie in its first resolution. It says 'secession is dead.' Secession is not dead. It is more alive than ever."

The Confederacy Must Triumph. The cause for which Stonewall Jackson fell cannot be in vain; but in some form, will yet triumph."

Seymour Preferred Confederate Constitution. Horatio Seymour, after the adoption of the Confederate Constitution, said to Judge Charles H. Ruggles: "It is better than ours, (the Federal.) Then why not adopt it all readily, by simply adopting that (Confederate) Constitution?"

These are specimen bricks. There is not one word of truth in the statement that either Vance, Wise or Hampton ever made use of the language attributed to them.

How easy a thing it is to squelch a liar!

NOW, YOU CAN SEE!

The mouth-piece of the Radicals, Tom Marshall, at their meeting on Saturday night of last week, declared that his party is in favor of compelling the people of eleven States to have Negro Suffrage, and that it must also be established in the Northern States. Now, Republicans, you can see what your leaders are driving at!

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

JOHN CESSNA'S MODESTY. Seldom have we witnessed, says the Chambersburg Valley Spirit, such an outrageous violation of all the rules of decency as that of which the Radical County Convention was guilty last week.

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

THE Black Test—see it at the head of this paper and read it to your neighbor.

Ex-President Pierce writes that New Hampshire will go for Seymour.

If the Radicals want peace, what are they arming the negroes for?

The next inaugural address will be a Hostage.

The Inquirer propose to "fight it out on this lying if it takes all summer."

JAPAN. Bloody Battles; Murders of Christians. One-Half of Jeddo Burned.

SAN FRANCISCO, Aug. 16.—The steamship Colorado, with advices from China dated at Shanghai and Hong Kong to July 15, and from Yokohama, Japan, to July 26, arrived here to-day.

Several Chinese pirates have been punished. It was said that one hundred and fifty Christian natives of Japan had been taken to sea and drowned near Nagasaki in defiance of a protest of the foreign Consuls.

Severe battles had been fought between the contending forces in Japan, with varying results.

General Jackson's Opinion of "No Policy" Candidates. "I shall have no policy of my own to interfere against the people."

I say again, fellow citizens, remember the fate of ancient Rome, and vote for no candidate who will not tell you with the frankness of an independent freeman, the principles upon which, if elected, he will administer your Government.

That man deserves to be a slave who would vote for a man candidate when his liberties are at stake.

Pertinent Questions. The New York World propounds the following pertinent questions. What Radical can answer them?

If reconstruction is a success, why isn't the radical withdrawn?

If the negroes can vote of themselves, why pay the Bureau to teach them?

If the Radicals want peace, what are they running their candidate on his military merits for?

If the Radicals mean equal rights, why one currency for capital and another for labor?

If the Radicals want impartial suffrage, what does their platform say one suffrage North and another South for?

If the Radicals want peace, what are they arming the negroes for?

Is it impartial suffrage to enfranchise the black and disfranchise the white man?

DEATH OF STEVENS.

Thaddeus Stevens died at his residence in Washington, on Tuesday night, the 10th inst., at 12 o'clock, aged 76 years. His remains were taken to Lancaster, where the funeral took place on Monday afternoon of this week.

"The Negroes should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

Forney says, "We anxiously await Seymour's third letter." He will have his wants supplied on the fourth of March next.

"I do solemnly swear that I will faithfully execute the office of President of the United States, and will to the best of my ability preserve, protect, and defend the Constitution of the United States."

Almost as short as Grant's speech at St. Louis, and a little more to the point.

"The Negro should have the right to vote in the Northern States and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

JOHN CESSNA'S MODESTY. Seldom have we witnessed, says the Chambersburg Valley Spirit, such an outrageous violation of all the rules of decency as that of which the Radical County Convention was guilty last week.

ferences who must be specially obnoxious to Colonel Weistling, one of them being the reputed author of the articles which assailed him so bitterly, and the other, one of our neighbors of the Repository who refused to let the Colonel in to a defense.

This is a Radical quarrel and of course with it we have nothing to do. But we have felt it our duty as journalists to thus publicly call attention to the shabby treatment which the supporters of that little demagogue, John Cessna, extended to Colonel Weistling, who, however Radical he may be in politics, is nevertheless a thorough gentleman.

John Cessna has thus succeeded in securing the confederates from this County. We congratulate him on his success. We have been wishing for him to run at a time when it would be in the power of the Democracy to "lay him out" and we opine that he has hit the right time. We propose to move immediately upon his works.

To the deep mortification of being misrepresented in Congress by illiterate, nasal-tongued, carpet-bag adventurers, there is yet a heavier weight of humiliation for the Southern people to bear in the election of their Presidential electors by the pretty carpet-baggers and Freedmen's Bureau clerks, who comprise their Legislatures.

The negro and scallawag members of the Texas Convention have voted themselves fifteen dollars a day for their valuable services in making a constitution. Thus, says the Louisville Journal, they have out-niggered and out-scallawaged even the niggers and scallawags of the other Southern conventions.

We Polked them once, We Pierced them well, And then we Bucked them sore; And with Frank Blair We'll make them stare, That they may all Sey-mour.

Nearly every Conservative meeting in the South has been interrupted by negroes, instigated by the cowardly Yankee carpet-baggers. "Let us have peace."

The Radical Governor of Louisiana demands military aid, and Brownlow wants negro troops to help carry the State. "Let us have peace."

The Radicals want to organize campaign choirs, but out of regard for Grant, they will have no Jewsharps.

If the Radicals want impartial suffrage, what does their platform say one suffrage North and another South for?

The Connecticut Legislature, Radical, is accused of filching seven dollars per day. It is a Radical characteristic.

Is it impartial suffrage to enfranchise the black and disfranchise the white man?

The Radical party is staggering, and Prentice thinks it is from having swallowed Grant.

JAPAN. Bloody Battles; Murders of Christians. One-Half of Jeddo Burned.

"The War between the States, its Causes, Character, Conduct and Results, by Hon. Alexander H. Stevens, is the title of a valuable work just issued by The National Publishing Co., Philadelphia, Pa.

Histories of the late civil war have sprung up like mushrooms, and they can now be numbered almost by hundreds, but all who are desirous of arriving at a correct understanding of the causes, and a clear history of the events of the lamentable war, have felt the want of a reliable history of the same from a Southern standpoint, by some representative man of the South.

This distinguished Statesman had determined to write a book, would, of itself, be sufficient to kindle a lively and wide-spread interest in all sections of the country; but when it is known that he has chosen as his theme the one so fruitful as the late American War, the absorbing interest of the subject, together with the evident and singular fitness of the author for its treatment, unite in awakening a curiosity entirely unparalleled in the annals of American literature.

It presents a careful political analysis of the past, separating real from apparent causes of the late unhappy conflict, and gives those interior lights and shadows of the Great War, only known to those high officers, who watched the flood-tide of Revolution from its fountain-springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

To a public that has been surfeited with apparently similar productions, it presents a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has at last found a historian worthy of its importance, and at whose hands it receives that moderate, candid and impartial treatment which truth and justice so urgently demand.

This most valuable work is sold only by subscription, and the publishers want an agent in every County.

THE LADY'S FRIEND, FOR SEPTEMBER.—A spirited Steel Engraving called "The Attack," leads off the September number of this "Queen of the Monthlies." It is followed by the usual elegant Steel Fashion Plate and by a fine Wood Engraving, suited to the seaside season, called "On the Cliff." Then come numerous engravings of the Fashions, interesting to ladies, with a piece of Music. The literary matter of this number is unusually interesting. We can safely recommend "THE LADY'S FRIEND," as occupying the very front rank among the ladies' magazines. It is published by Deacon & Peterson, 319 Walnut street, Philadelphia, at \$2.50 a year.

SEED ADVERTISEMENT, in another column, of "Agents Wanted" for the standard and official lives of Seymour and Blair, by James D. THE NEW POST OFFICE LAW.—The post office law just passed by Congress contains some important changes in the mode of conducting the business of the department, and as all our readers are more or less interested in sending and receiving letters and newspapers, we publish some of the provisions of the new law for their information.

The law provides that all letters on which the name of the sender is endorsed shall be returned to him if not called for within thirty days; it doubles the compensation of post-masters for the payment of money orders, but reduces the fees on the same. It permits weekly newspapers sent to regular subscribers in the county where published to be delivered free of postage from the post office nearest the place of publication; it also authorizes the issue of duplicate money orders. This law also makes it a felony of high character to use postage stamps a second time knowingly and authorizes the Postmaster General to prescribe a uniform for letter carriers, and makes it a misdemeanor for any one else to wear the same.
