The office of the late Patriot and Union having passed into the hands of the undersigned, they propose to supply a vacuum that has long existed in the newspaper press of interior Pennsylvania. From some cause or other the reading masses of the Democratic party of the great interior counties of the State, have been compelled, either to do without the latest news, or to patronize journals whose political sentiments were distasteful to them. The Morning Patriot is intended to supply this want. Its proprietors are determined that no efforts shall be spared, on their part, to make it really equal, as a newspaper, to any of its competitors. Whatever the electric wires are able to communicate, up to the hour of going to press, will be furnished in its columns every morning; and its large size will enable it to give quite as much reading matter as any of its contemporaries. As an advocate of sound political sentiments, favoring no faction, and not patronizing any of the Whig or Democratic parties, but devoting its entire energies to the good of the whole party; as a vehicle of the latest news, and a chronicle of passing events, we are determined that it shall not be excelled; and we confidently appeal to a discriminating public for that appreciation and encouragement which are indispensable to success. Every person should subscribe to the paper printed in his own county, and we do not mean to enter into competition with the local papers of the State. But, many people take their home paper and a city paper in addition. To such we send greeting.
