KIMMELL vs. CESSNA. CESSNA vs. KIMMELL. GREAT DISCUSSIONS.

In pursuance of an arrangement made by Hon. JOHN CESSNA and Hon. F. M. KIMMELL, and the undersigned, chairmen of the respective County Committees, A MEETING OF ALL PAR-TIES will be held at SCHELLSBURG, on Friday, Sept. 18th, and at BLOODY RUN, on Saturday, Sept. 19th, at one o'clock, p. m., for the purpose of enabling the above named standard bearers of their respective parties in this Congressional District, to discuss the issues involved in the New York and Chicago Platforms of 1868.

Come One, Come All, and hear the great questions before the country ably handled. "Come, let us reason togeth-J. W. DICKERSON, Chairman Dem. Co. Com. J. W. LINGENFELTER, Chairman Rep. Co. Com.

Now, Rally!

Men of Bedford county! You who would have A CHANGE in the legislation at Washington and Harrisburg, you who would come back to the old times of peace and plenty, low taxes and easy money, you who would preserve this government as a Republic, come now, go to work, talk to your neighbors, appeal to them to help you save the country, cling to them, do not let them go, until they promise to come to your aid. God knows with what deep and intense solicitude your action is awaited! Oh! that the Almighty Disposer of Events would put it in your hearts to lay upon the altar of your country every feeling of selfishness, that you might from this day until the election, labor only for your country's good. Come, shake off your indifference! Be men, and forward in the name of Liberty and Good Government!

The wealth ve find another keeps. The robes ye weave another wears, The arms ye forge another bears!"

Freedom! Justice! Truth! We invoke you, O people, by these sacred names, to rally against the Injustice, the Slavery and the Falsity of Radicalism!

IMPORTANT TO VOTERS.

The law for the collection of taxes has been changed. The County Treasurer now collects the taxes for the county. A justice of the peace in each election district, collects the arrearages of taxes, and will receive the taxes on the ten days assessment, on the presentation to him of a certificate of assessment made out by the assessor .-The payment to such justice of the peace, of either State or County tax, entitles the citizen paying it to his vote. Democrats, be assessed at once, and take a certificate of assessment from the assessor, so that you may present the same to the proper justice of the peace. Active Democrats should see to it that this is attended to in their respective districts. Saturday, Oct. 3, is the last day on which lawful assessments can be made.

COLORADO SPEAKS! ANOTHER VICTORY !

Democratic Gains in Maine!

Colorado elects a Democrat to Congress for the first time. Last year the Radicals had 876 majority. The day after the election, this year, they claimed a triumph, and crowed loudly. But the news soon changed and the faces of the Rads. were considerably elongated.

Maine has gone Radical as usual, but by about 8,000 less than in 1866, when the majority was nearly 28,000. The last news is that the Rads. claim but 20,000, which is substantially a Democratic victory.

THE WHITE BOYS IN BLUE.

For whom will Geo. B. McClellan vote? For Horatio Seymour. For whom will Winfield Scott Hancock vote? For Horatio Seymour. For whom will W. S. Rosecrans vote? For Horatio Seymour. For whom will Herry W. Slocum vote? For Horatio Seymour. For whom will W. B. Franklin vote? Horatio Seymour. For whom will Duryea, of the Zouaves, vote? For Horatio Seymour. For whom will W. S. Hillyer, formerly chief of Grant's staff, vote? For Horatio Seymour. For whom will Thos. Ewing vote? For Horatio Seymour. For whom will D. C. Buell vote? For Horatio Seymour. For whom will Admiral Faragut vote? For Horatio Seymour? These are the "white boys in blue." What soldier is not proud to vote the the same ticket which these gallant men vote?

THE BLUE BOYS IN BLACK.

For whom will Beast Butler vote? For U.S. Grant. For whom will Vienna Schenck vote? For U.S. Grant. For whom will Military Commission Surratt Bingham vote? For U.S. Grant. For whom will Dirty-work Logan vote? For U.S. Grant. For whom will the shoddy thieves vote? For U.S. Grant. For whom will the sutlers and army contractors vote? For U. S. Grant. These are the blue boys in black. What soldier feels like following these?

JOHN SCOTT ON TAXATION OF BONDS.

Mr. Scott, of Huntingdon, in his speech before the late Radical meeting that Government bonds are not subject to taxation for State or municipal pur-U. S. Reports, and can find no such deof Mr. Scott. We do find the following, however, in the decision of the U. S. Supreme Court, in the case of Me-Culloch vs. the State of Maryland, 4

"The state within which a branch of the bank of the United States may be stablished, cannot constitutionally it; but this does not apply to a tax on the real property of the bank, in common with other real property in a state, nor to a tax on the INTEREST of a citizen of a state in the bank, in common with other similar property throughout the state."

This is clearly a case in point. What is the interest of a citizen in a National Bank? Why the amount of his Government Bonds which are hypothecated for the redemption of the issues of the Bank. Clearly, then, under this decision, the bonds held by a citizen of Pennsylvania as a stockholder in a National Bank, are taxable for State and municipal purposes; and if bonds in the hands of stockholders in National Banks are taxable, why are not bonds in the hands of private holders also taxable? They are so taxed now by the Legislature of New York. Mr. Scott had better try again.

WHO ENDED THE WAR?

The only argument used by the Radicals in favor of Grant, is his military record. And what is that? Why, he took Richmond after losing more men than McClellan had in his whole army. But would he have taken it if Sherman had not pierced the heart of the South and marched to the sea? Never! To Gen. Sherman belongs the credit of ending the war. To McClellan belongs the credit of shattering Lee's grand army at Antietam. Grant a military genius? Aye, if wholesale butchery of his own men makes a man a general, he is one!

IS GRANT FIT?

Is U. S. Grant a statesman? No! Is he a man of learning? No! Does he understand the nature of our government? No! For he says the "will of the majority" shall be set up as against the Constitution, which which would crush out the minority. The majority can protect themselves, but the Constitution was made to protect the minority. Is he a moral man? No! For the leaders of his own party, Wendell Phillips, Theodore Tilton and Anna Dickinson have publicly declared that he is a drunkard. Is he a man of his word? No! Five of the first men in the country, members of the President's cabinet, have proved him a falsifier, over their own signatures.

Is such a man fit for President?

JOHN CESSNA says that the question in this campaign is, "shall the 'boys in blue' or the 'boys in grey' rule this government?" He tries to impress the public mind that he is in favor of the "boys in blue." But the record is against him. Did he not cheat Capt. Stuckey out of the nomination for Legislature in this county, and did he not travel all the way to Chambersburg to choke off Col. Weistling for Congress? Does this look like being in favor of the "boys in blue" ruling?-The truth is, he is for nobody but "Dad," and he dont care how blue or grey, or black anybody may look about

it. Deeds speak louder than words,

and that kind of cheap "loilty" to the

"boys in blue" won't answer, Johnny.

'ALWAYS TAKE THE SIDE AGAINST

Yes! John Cessna was right when he said that, the other night, at the Radical meeting. He said the late rebels were on the Democratic side, and, therefore, Union men should take the other side. But it so happens that the late rebels are divided. The decent and intelligent ones among them are on the Democratic side, men like Gen. Lee, A. H. Stephens, R. M. T. Hunter, Wade Hampton, &c. But such cruel monsters as ex-Gov. Joe Brown, of Georgia, who founded the Andersonville prison, C. C. Bowen, a rebel major from South Carolina, who murdered his Colonel, R. R. Butler, a beast from Tennessee, Gov. Holden, of North Carolina, who offered a reward for the head of Abraham Lincoln, Gen. Longstreet and rebels like these, are now in the Radical party, and support Grant. If you want "to take the side against the devil," North and South, take the side that is against the Radical rebel.

WHO IS RESPONSIBLE FOR ANDER-

The startling document printed on our outside, over the signature of Ro. Ould, proves what has often been asserted, that Gen. Grant is responsible for the prolonged imprisonment of Union soldiers at Andersonville. The rebel authorities made every proposition to exchange, but Grant, cold hearted, unfeeling, pitiless monster, refused to accept any of the propositions. Gen. B. F. Butler has testified that Grant forbade any exchange of prisoners. No wonder that Joe Brown, of Georgia, Bowen, of South Carolina, R. R. Butler, of Tennessee, and the most cruel in this place, declared that the Supreme and bitter of the rebels during the war, Fractional cur Court of the United States had decided are now supporters of Grant. Birds of Gold certificates a feather flock together. Read the statement of Mr. Ould. Let every solposes. We have looked through the dier read it. Let every father who lost a son at Andersonville, read that statecision. It is a mere quibble on the part ment. Let the truth be known, no matter whom it hurts.

WOULD'NT STAND IT. The Radicals Wake up the Wrong Pas-senger.

The Radicals are desperate in their efforts to steal some of our men. Especially do they direct those efforts to our Democratic strongholds, like Southampton and others, thinking that by capturing a Democrat in one of those places they can herald a defection in our ranks. They tried this game on Mr. Wilkison, a juror from Southampton, last week, but his democracy is too good to be eaught with such bait .-

Hear what he says :-BEDFORD, Sept., 12, 1868.

Editors of Gazette:—If the Radicals are in so wrong a boat as they had me in on last Tuesday night, their destination is certainly up Salt River this fall. For what reason I do not know, but without my knowledge, or consent, they published my name, and read it out at their meeting, as one of the Vice Presidents. It is the first time of my life to find my name in such company. I take this opportunity of putting myself right-for Seymour, Blair, Kimmell and the whole democratic ticket.

Yours, &c., SOLOMON WILKISON.

It must not be forgotten that Meyers lied when he said Tom Marshall asserted at Bedford that he was in favor of negroes voting, in Pennsylvania, and that he would come in the district, and help elect John Cessna upon that issue.—Fulton Republican.

We have no disposition to flatter the editor of that contemptible sheet by calling him a liar. 'Twould be gross flattery. Tom Marshall did say so and won't deny it, if the editor of the Republican will take the trouble of asking him. Besides we can procure the sworn testimony of a score of witnesses, Democrats and Republicans, who heard Marshall say so. Is the mendacious editor satisfied? "Let us have

RAILROAD PASSES.

How does it come that John Cessna has had his pockets stuffed with railroad passes ever since he was in the Legislature in 1862? How did he get them? What service did he render the Pennsylvania Railroad company that he was made a dispenser of free tickets? It is well known how some of those passes were used.

WHAT IF GRANT BE IMPEACHED?

Suppose Gen. Grant should be elected. Suppose he undertakes to administer the government according to the Constitution, and another Radical Congress impeaches him for so doing .-

KELLEY's bill to confer suffrage upon the Negroes in the North, as well as in the South, is still pending before Congress. How will John Cessna vote on this bill, if elected? We dare him to answer this question. His own party as well as the Democrats, want to

STILL FIGHTING IT OUT ON THAT LYING.

The Inquirer told its readers a few weeks ago that Hon. John Morrissey was betting heavily on Grant. That was only another proof of the Inquirer's determination to "fight it out on that lying," of which it furnishes numerous instances every week. We subjoin Mr. Morrissey's card branding the story as it deserves:

New York, August 26, 1868.

To the Editor of the Herald:—

I have noticed on one or two occasions a statement made in your paper which I desire to correct. I was charged with having money bet against the election of Seymour and Blair, and that I would support Grant and Colfax. I desire to say that both statements are false in every particular. I have not a cent of money, property or stake of any kind bet against Seymour and These stories are put in circulation to injure me with my constituents by interested and mischievous parties. It is needless for me to say that I am a democrat, and believe in regular nominations, and intend to support Sey-mour and Blair and the democratic ticket, as I have done through life. By correcting this false statement you will much oblige, yours, truly, JOHN MORRISSEY.

COMING HOME.

In the Pittsburgh Commercial of the 26th inst., there is an account of an attempted outrage upon two white girls also among the sweet sixteens. Sold in that city in broad day light. This is getting serious. Hitherto we have heard of the people of the South being cursed with such appalling crimes, but now it seems that our own daughters and wives are not safe, even in broad day, in a populous city, from the hellish passions of brutal negroes. There is no doubt in our minds as to who is responsible for all this. We believe in our very heart that Radical teachings are calculated to debauch and bedevil the ignorant negroes, and that on the heads of all such must rest the responsibility for all such crimes as this .-Genius of Liberty.

He says "about one third were Republicans, who, through curiosity, went to hear what was said." I admit that there were a few Republicans there, but the speeches of Messrs, Kimmell and Shriner were so excellent that they were "almost persuaded" to leave the waning cause of Radicalism. The ediitor of the Inquirer must tell the truth if he wishes people in the country to believe his assertions, and not try to palm off lies on those who were present to see and hear for themselves. But, on the second Tuesday of October next, we will show him a vote in favor of a

OLD COON.

A HINT TO LADIES .- It is a distinguishing characteristic of a cultivated woman to adorn and beautify her person. In proportion as she becomes refined or debased, she pays more or less regard to her personal appearance .-The love of admiration is, as it ought to be, strong in every woman's nature, and hence it is that the decoration of her person is always regarded as of parmount importance. The three most beautiful things on earth are women, children and flowers-each equally by nature pure and attractive. Woman knows she is beautiful, she loves to be admired by man, endeavors to render herself as atractive as possible to man's eyes, and therefore it is that she avails herself of all the benefits of dress and ornaments. Woman is gifted by nature with great natural attractions. Her complexion is, if not ruined by paint and powder, fair and delicate, her hair abundant and lustrous, and her form the very perfection of grace and loveliness. Woman's chief ornament is her hair. No matter how regular the contour of the features may be -how lustrous the eye-how sweet the voice or graceful the form, if the hair be not soft, glossy and beautiful, the chief attraction is wanting. A lady remarkable for the beauty of the hair, remarked in our hearing, the other day, that she owed to the moderate and constant use of "Barrett's Hair Restorative" a deep obligation, for by it she had become locally famous for the abundance and lustre of the hair. U ing it constantly ourselves we can add our testimony that as a dressing and restorative combined, Barrett's is superior to any Hair Preparation we have ever used. It is reasonable in price, too, costing only one dollar for a large bottle full of the mixture.-Cineinnati Sunday Globe.

The Jackson Mich. Citizen says: - We would call the attention of our friends advance. to this fine instrument, which surpassseved to les all others of the kind. There are the Pacific Railroad Company have in- many other imitations in the market, but none have been made to equal the American Organ, manufactured by S. D. & H. W. Smith, Boston, Mass. We would congratulate the Messrs. Smith on the entire success that attended their efforts to produce a superior instrument. Almost all other makers have hitherto failed to produce an instrument which answers the object de signed—a substitute for the pipe organ. The American Organ comes the nearest to the accomplishment of this end of any instrument we have ever seen or heard.

No loss can be more fatal to beauty especially in the female sex, than the loss of the hair; glossy, luxuriant hair is one of the most powerful of all personal charms. When baldness or even a deficiency of hair exists, we naturally look for a dry and wrinkled skin, a faded complexion; when not actually seen, we see them in imagination. Why, then not cultivate your hair? Encourage it and strengthen it; or, if your hair is gray or white, the natural color can be restored by a few applications of Mrs. S. A. "Barrett's Vegetable Hair Restorative" is a perfect and miraculous article. Cures baldness. Makes hair grow. A better dressing than any "oil" or , 'pomatum."
