NANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of Da. Celverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrica, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impendiments to Marriages, etc.; also, Consumption, Epilebry and Firs, induced by self-indulgence or sexual extravagance.

**Price in a sealed envelope, only 6 cents.*
The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

YER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such

body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—
For Dyspersia or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy inne and action.
For Liver Complaint and its various symptoms, Billious Headache, Sick Headache, Jaundice or Green Sickness, Billions Colic and Billions Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. bstructions which cause it.
For Dysentery or Diarrhea, but one mild

dose is generally required.

For Kueuwarish, Gout, Gravel, Palpitation or the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as repear.
For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken

For Setphession a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

DOUBLE-ACTING, NON-FREEZIN

FORCE PUMP, Patented August 28th, 1866, and awarded the PREMIUM at the Pennsylvania, Ohio, and New York State Fairs, in 1866.

The advantages claimed for this pump over all other patent pumps are as follows, viz. The valves, are composed entirely of cast iron, rendering it the most durable of any pump yet patented. This pump is so constructed that it never freezes, the water dropping back to the level with the water in the well. It is easily worked, and can be used, by attaching hose, in washing wagons, horses, watering gardens, and in case of fire is of valuable service, as water may be thrown to the distance of from sixty to seventy feet in the air from it by the use of a small section of hose
