OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manu-facturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered neces-

generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE, which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beauliful. It is quiet, light running, and CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK never before attempted upon a single Machine,—using either Silks, Twist, Linen on Cotton Therado, and sewing with equal facility the very finest and coarsest meterials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Feling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for tais Machine.

New designs of the Unique, Useful, and Popular Folding Pops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge overy person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to THE SINGER MANUFACTURING Co.,

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetables composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a Curea All, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomaeh and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHEA. DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

YER'S CATHARTIC PILLS, For all the purposes of a Laxative Medicine. Por an the purposes of a Laxative accidence. Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known e following complaints, but such cures are known every neighborhood, and we need not publish im. Adapted to all ages and conditions in all mates; containing neither calomel or any delerious drug, they may be taken with safety by ybody. Their sugar conting preserves them ev-fresh and makes them pleasant to take, while ing purely vegetable no harm can arise from teir use in any quantity.

They operate by their powerful influence on the ternal viscera to purify the blood and stimulate into healthy action—research.

stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills ranidly ours. Pills rapidly cure:—
For Dyspersia or Indigestion, Listlessness,
Languor and Loss of Appelite, they should be
taken moderately to stimulate the stomach and seen moderately to summate the somator and settore its healthy tone and action.

For Liver Complaint and its various symptoms, flulious Headaches, Sick Headaches, Jaundice if Green Sickness, Billous Colie and Billious Ferrs, they should be judiciously taken for each ase, to correct the diseased action or remove the ostructions which cause it.
For Dysentery or Diarrhea, but one mild

dose is generally required.

For Resemants, Goot, Gravel, Palpitation of the Heart, Pan in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. Pear.
For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.
For Suppression a large dose should be taken as it produces the desired effect by sympathy. as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decitedly better, from their cleansing and renovating effect on the digestive apparatus.

A YER'S CHERRY PECTORAL,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma,
and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the horat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Aithough settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitts is generally cured by taking the Cherry Pectoral in small and frequent dosses.

ed by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are AYER'S AGUE CURE,

A Y E R 'S A G U E C U R E,
For Fever and Ague, Intermittent Fever, Chill
Fever, Remittent Fever, Dumb Ague, Periodical of Billious Fever, Ac., and indeed all
the affections which arise from malarious,
marsh, or miasmatic poisons.
As its name implies it does Care, and does not
fail. Containing neither Arsenic, Quinine, Bismuth, Zine, nor any other mineral or poisonous
substance whatever, it in no wise injures any patient. The number and importance of its cures in
the ague districts, are literally beyond account,
and we believe without a parallel in the history
of Ague medicine. Our pride is gratified by the
acknowledgments we receive of the radical cures
effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or
traveling through miasmatic localities, will be
protected by taking the AGUE GURE daily.
For Liver Complaints, arising from torpidity of
the Laver, it is an excellent remedy, stimulating
the Liver into healthy activity.
For Bilious Disorders and Liver Complaints, it
is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
