## SCHEETZ'S BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomaen and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHEA. DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chilis and Fevers of all kinds, it is far better and safer than quinne, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

YER'S CATHARTIC PILLS, For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured them; those who have not, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calonel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—
For Dyserses or Indigestion, Listlesness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Convilaints and its various symptoms, Billious Headacue, Sick Headacue, Jaunnice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For all the purposes of a Laxative Medicine.

ase, to correct the diseased action or remove the bistructions which cause it.

For Dysenterr or Diarrhea, but one mild lose is generally required.

For Regenatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and olds, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. ear.
For DROPSY and DROPSICAL SWELLINGS they hould be taken in large and frequent doses to produce the effect of a drastic purge.
For SUPPRESSION a large dose should be taken the desired effect by average by of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
