An adjourned court is in session this week. The attendance is slim, and the business seems to be ditto.

Assistant Assessors will soon be after calling upon our citizens for incomes and special taxes. Be ye also ready!

We notice that the subject of supplying our public schools with libraries, at the expense of our State, is favorably discussed in many newspapers. Our Supreme Court has decided that

your time to buy. INTERESTING DIALOGUE .-Radical No. 1-Which is the organ of the "Republican" party of Bedford county, the Bedford Inquirer or the Bloody Run Press? Radical No. 2.- Yes!

On last Saturday a vote was taken on the question of Postmaster for this Borough. A.S. Russell, J.G. Minnich and John Arnold were the candidates. The vote stood as follows: Russell, 170, Arnold 34, Minnich, 11. Russell's majority over both, 125.

The Reformed congregation of St. Clairsville have purchased four acres of land, adjoining the old church, for the purpose of making a cemetery .-Our informant tell us that no labor or expense will be spared to make the spot beautiful and attractive.

EGGS-ITING EGGS-AGGERATION .-It is now proposed to sell eggs by weight, instead of by the dozen. An exchange hopes not. Some eggs are very heavy-when they contain juvenile chickens; and to purchase poultry in that condition, at present prices, is by no means economical.

mania has fairly taken root in several of the cities of the country. It is all the talk, and already have schools been opened wherein to learn the knack of propelling and riding the curious but simple vehicle.

"Mud, mud, mud," is in everybody's mouth; and we have even seen it all over men's hats during the last week. Never have we beheld our streets in such wretched "stick-in-the mud" condition. The bottom seems to have dropped out of some of them and gone

SAW MILL BURNED.—On last Saturday night the saw mill of John Conrad, Esq., of Union tp., was destroyed by fire. Besides the mill the loss was increased by the destruction of shingles, seasoned lumber, &c. A lot of carpenter's tools were damaged. The fire is supposed to have originated from a stove in the mill in which fire had been during the day.

Young Horse Thirf .- Samuel horse from Charles Stuckey, with whom he had been working, in Bedford tp., week before last, started off down the pike, and was overtaken about 3 miles east of Bedford, and the horse taken back. The boy then went back to Schellsburg, and on last Wednesday a week, stole a horse from the stable of Charles Colvin, and was pursued and overtaken near Johnstown, and arrested by Eli Rininger, *brought to this place and lodged in Jail to await his trial.

The old hackneyed question, "Who discovered America" has been eclipsed by the following, which has become the subject of serious debate in every Radical meeting held in this county: "Which is the organ of the Radical party of Bedford county, the Bedford Inquirer or the Bloody Run Press? At last accounts the party was divided on the subject, the renegade Democrats taking sides with the Press and the regular "old lines" with the Inquirer. As soon as this troublesome question is disposed of, the novel one of "Which is the front end of a wind-mill" will be taken up. Elaborate essays have already been prepared by several young Rads on this all absorbing topic.

FIRE.-On last Saturday evening, about 8 o'clock, the usual quiet of our town was disturbed by the cry of "fire." This was occasioned by the discovery of fire in the splendid hard- White, ware establishment of Messrs. Hartley & Metzger, on the corner of Pitt and Richard streets. A large crowd of people was soon on the spot, the doors of the store were forced open, when it was found that the room was so densely packed with smoke that it was almost impossible to get near the fire, which was raging in the back part of the building. When the fire was reached, a liberal application of water soon con-When the fire was reached, quered the destructive element. The loss sustained by the parties will reach in the neighborhood of \$1,000, which is fully covered by insurance,

TOLL.—There are no less than six toll gates between this place and Somerset, going by the Somerset and Bedford Turnpike; that is a gate for every 61 Auditor, \$1.00; Poor Director, \$2.00; Commismiles. If each gate keeper were made sioner, \$3.00; Treasurer, \$5.00; Sheriff, \$10.00 miles. If each gate keeper were made to use a shovel fifteen minutes in every twenty four hours, the road might be made passable. We doubt, however, whether these toll-houses were established for any such purpose. At any rate the road is now, and has been for several weeks, closed, at several points, by snow-drifts, which a little shoveling might remove. The toll, however, is the same, drifts or no drifts. We say to this company, keep open your road or close your toll houses.
