generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE, which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Homming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding, Ispa and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly, Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and chines will be cheerfully exhibited, and any information promptly furnished. NATURE'S GREAT RESTORER.

SCHEETZ'S CELEBRATED BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a Curr All, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results It is a certain, prompt and speedy remedy for DIARRHCEA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADAOHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinne, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

A YER'S CATHARTIC PILLS, Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or needed know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Dyspersta or Indigestion, Listlesaness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billious Headaches. Sick Headaches. Jaundice

restore its healthy tone and action.

For Liver Complains and its various symptoms, Billious Headache. Sick Headache. Jaundice or Green Sickwess, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysenterr or Diabrica, but one mild dose is generally required.

For Hebeuratism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

Por Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression a large dose should be taken s it produces the desired effect by sympathy.

As a Dinner Pill, take one or two pills to prote digestion and relieve the stomach. An occasional dose stimulates the stomach and An occasional dose simulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, m their cleansing and renovating effect on the

PHILADELPHIA, PA.

FOR PURIFYING THE BLOOD. The reputation this excellent medicine enjoys, is derived from its ourses, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were agreewaged by the secretary section. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the consitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by exaptions on the skin, or foul ulcerations on rome part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or wisible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

sy, Heart Disease, Fits. Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Dicerations and Female Diseases, are commonly soon relieved and ultrantely cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

Miscellaneous. A YER'S CHERRY PECTORAL,

For Diseases of the Throat and Lungs cough, Bronchitis, Asthma, Such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its unform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly our ed by it.

Ashma is always relieved and often wholly our ed by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained. A YER'S SARSAPARILLA. AYER'S AGUE CURE,

A Y E R'S A G U E C U R E,
For Fever and Ague, Intermittent Fever, Chill
Fever, Remittent Fever, Dumb Ague, Periodical or Billions Fever, &c., and indeed all
the affections which arise from malarious,
marsh, or miasmatic poisons.

As its name implies it does Cure, and does not
fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous
substance whatever, it in no wise injures any patient. The number and importance of its curos in
the ague districts, are literally beyond account,
and we believe without a parallel in the history
of Ague medicine. Our pride is gratified by the
acknowledgments we receive of the radical cures
effected in obstinate cases, and where other remedies had wholly failed.
Unacclimated persons, either resident in, or
traveling through miasmatic localities, will be
protected by taking the AGUE CURE daily.
For Liver Complaints, arising from torpidity of
the Liver, it is an excellent remedy, stimulating
the Liver into healthy activity.
For Bilious Disorders and Liver Complaints, it
is an evecllent remedy, producing many truly remarkable cures, where other medicines had failed.
