It is known that a batch of cannon left this city to-day, and it is confidently believed, bound for the "ever faithful Isle." Here too Congress has given no uncertain sound. While all this is going on outside, there is a disturbing element within. A party in the interest of Imperialism has boldly flung out a paper in New York in advocacy of that revolutionary doctrine, and says that the present form of government means "lawlessness, corruption, insecurity to person and property, robbery, and givil war." THE POST OFFICE IMBROGLIO,-"DAD" APPOINTS HIS OWN MAN AND IGNORES THE PEOPLE .- SOMETHING ROTTEN IN DENMARK .- Maj. Daniel Washabaugh has been appointed by the President and confirmed by the Senate, as postmaster at this place, vice C. Loyer, resigned. Maj. Washabaugh is a competent man, and will, no doubt, discharge the duties of the office with care and fidelity. We find no fault with the character of the appointee. In fact as it is "none of our funeral," we stand back, "like a bound boy at a husking," and content ourself with the role of a serene .looker-on. But as a faithful chronicler of passing events, it becomes our duty to inform an anxious and inquiring public as to the manner in which the appointment was made.
