OUR NEW SEWING MACHINE.

The superior merits of the "Singer!" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,
which has been brought to perfection regardless of
time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful.
It is quiet, light running, and
CAPABLE OF PERFORMING A RANGE AND
VARLETY OF WORK
never before attempted upon a single Machine,—
using either Silk, Twist, Linkn or Corton
Thread, and sewing with equal facility the very
finest and coarsest materials, and anything between the two extrones, in the most beautiful and
substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular
Folding Isps and Cabinet Cases, peculiar to the
Machines manufactured by this Company, have
been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed
through the medium of a (necessarily) limited advertisement; and we therefore urge every person
in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the
leading rival Machines before making a purchase,
A selection can then be made understandingly.
Branches or agencies for supplying the "Singer"
Machines will be found in nearly every city and
town throughout the civilized world, where Machines will be cheerfully exhibited, and any infor
mation promptly furnished. Or communications

NATURE'S GREAT RESTORER. SCHEETZ'S BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURR ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomaen and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHEA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

For all the purposes of a Laxative Medicine Perhaps no one Medicine is so universally re-Perhaps no one Medicine is so universally required by everybody as a cathartie, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured their neighbors and friends, and all know that what it does once it does always—that it nover fails through any fault or needles. know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or negles of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

For Liver Complaint and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green Sickness, Billous Colic and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the bstructions which cause it.
For Dysentery or Diarrhea, but one mild dose is generally required.

Musical Doirgs,—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years.) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated planists, have performed on the same piano, and all proquence it a superior and first-class instrument. Stronger endorsement we could not give.—Home Journal.

AYER'S SARSAPARILLA,

FOR PURIFYING THE OOD. The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous discase, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some part of the body. Hence the coessional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous discase. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and sy, Heart Disease, Fits. Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the cemplaint. Leucorrhoea or Waites, Uterine Ulcerations, and Female Diseases. are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundiee, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitts is generally cured by taking the Cherry Pectoral in small and frequent doses.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained. AYER'S AGUE CURE,

ATEN SAUGUE, CURE, For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Billious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatte poisons.

As its name implies it does Care, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor anyother mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and solid all round the world.
