

DEMOCRATIC COUNTY TICKET.

Senator, J. W. DICKERSON, of Bedford Co. (Subject to decision of District Conference).

FOR THE CAMPAIGN!

There is no middle ground. He that is not for us is against us. He that gives aid and comfort to the enemy, commits the overt act which places him beyond the pale of the party.

THE TICKET.

We place at our most-heralded ticket nominated at the Democratic Primary Election held on the 29th ult., and call on all true Democrats, as well as honest and discriminating men hitherto opposed to us in politics, to give it their support.

For Prothonotary, JOHN P. REED, ESQ., is a candidate of whom the Democracy may well be proud. We doubt whether any man in the county is better qualified to discharge the duties of this important office than Mr. Reed.

For Sheriff, WM. KEYSER, ESQ., merits the esteem and cordial support of the party. He is an intelligent, moral, upright man, has always been a zealous, hard-working Democrat, and will make a most excellent officer.

For Treasurer, HUGH MOORE, ESQ., was nominated by a very flattering vote. He was once Sheriff of the county, and has many friends among the "Republicans" as well as Democrats.

For Commissioner, GEORGE ELDER, ESQ., for Poor Director, ADAM K. PENNY, for Auditor, OWEN MCGHIE, and for Coroner, J. B. BUTTS, are first rate nominations. No better men could have been selected.

And now, with this excellent ticket in nomination, we ask the Democracy to lay aside personal feelings and individual preferences, to forget the struggle in which they engaged at the Primary Election, and to let the dead past bury its dead, and look to the future with one undivided purpose, with a united determination to elect the candidates by a larger majority than any that has been given by the county for years.

STAND FROM UNDER!

The Democratic party is getting ready for a mighty wrestle with the giant corruptions that tug at the vitals of the nation. Radicalism, with all its monstrous fallacies, its grinding exactions, its horrible despotism, is to be overthrown.

There is no middle ground. He that is not for us is against us. He that gives aid and comfort to the enemy, commits the overt act which places him beyond the pale of the party.

NEGROES IN OFFICE.

President Grant has appointed a number of negroes to fill important offices, among others a Philadelphia African named Ebenezer D. Bassett as Minister to Hayti.

For Prothonotary, JOHN P. REED, ESQ., is a candidate of whom the Democracy may well be proud. We doubt whether any man in the county is better qualified to discharge the duties of this important office than Mr. Reed.

"NO POLICY."

Grant, in his letter accepting the radical nomination for the Presidency, declared that he would have "no policy." He is fulfilling his promise in this regard. He has no financial policy. He has no foreign policy.

There is no middle ground. He that is not for us is against us. He that gives aid and comfort to the enemy, commits the overt act which places him beyond the pale of the party.

A CHEATED PEOPLE.

Is Grant's Secretary of the Treasury, Boutwell, an honest man? pertinent asks the N. Y. Day Book. If he is, he is a very foolish one, for in making up a statement of the present public debt, he neglects to add the interest to the principal, a very considerable item, and which is just as much a part of the public indebtedness as the principal itself.

There is no middle ground. He that is not for us is against us. He that gives aid and comfort to the enemy, commits the overt act which places him beyond the pale of the party.

BRIEF NEWS ITEMS.

The Wheeling Register has published an extra filled with the details of the half-storm on Friday afternoon last, in that city. According to the account given it was certainly one of the most severe storms that has ever occurred.

SPECIAL NOTICES.

Schenck's Pulmonic Syrup, Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the bowels, and put it to work; then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh, the digestive organs improve in the lungs, and the patient overcomes the disease and gets well.
