HUNGRY .-- One of the nasty "organs" of radicalism, of this county, talks of defeating the excellent ticket nominated by the Democrats. Bah! "Polly wants a cracker !"

DIED OF DYFTHERIA.-Mr. Enoch Hixon, near Emmaville, Fulton county, lost four children in four weeks, by dyptheria. Mrs. Hixon narrowly escaped death from the same disease,

ERRATUM .- In the County Superintendent's report, published on our outside, under the head of "Institutes," the phrase, "the less inexperienced" should read "the less experienced."

FESTIVAL .- A festival under the 419, of Good Templars, on Friday and Saturday evenings, June 18th and 19th. All are invited to attend.

Bedford has long since needed a first class eigar and tobacco store. This want has been fully supplied by D. W. Crouse, for at his Resort will be found such a variety as was never beheld be-

from levy and sale, on execution or distress for rent.

Christian Albright, an old and respected citizen, aged about 72 years, dropped dead, at his residence in Londonderry township, this county, on Monday last, the 14th inst.

RITTEN BY A COPPERHEAD .- A SON of Mr. Kanavels, about four years old, was bitten on Saturday last, by one of those venomous reptiles, but under the efficient treatment of Dr. Trout, of this place, bids fair to recover .- Fulton Re-

SOME SNAKES .- The Mountain City Times, Cumberland, says that a party of workmen employed in barking trees in that county near Gilpintown, have killed the extraordinary number of seventy-two rattlesnakes this spring. There must be a good crop of snakes over there, this year.

DASTARDLY OUTRAGE.—We learn that on last Sabbath some scaly scoundrels broke into the BaldHill church, in Snake Spring township and took various articles therefrom, The perpetrators of this act of vandalism should be ferreted out and punished to the full extent of the law. This is the second or third time that this church has been

ARANDALE House.-This pleasant house has been greatly improved, inside and out, since last season. The proprietor, Mr. Joseph Alsip. has left nothing undone that could add to the comfort and convenience of his guests. Visitors will find the Arandale a very pleasant place to spend the summer months.

FATAL ACCIDENT IN COLERAIN .and struck Mr. Jonathan Diehl, knockankles was dislocated.

ALL IS VANITY .- No doubt many of our readers have often seen the time when they could fully agree with Hans Breitman in saying:

"Oh, vot ish all dis earthly pliss?

Oh, vot ish various kinds of dings?

"REGULATOR."-It is truly astonishng to see the rush to the "Regulator" lace. Irvine has succeeded in makling the cash system, under which he is doing business, a perfect success.—
He is selling the finest and cheapest groceries to be had in Bedford. All goods he sells cheap and fast .re is still room for more customers and all are invited to call and see his unrivalled stock of goods.

SEVERELY INJURED .- We are sorry to learn that on last Friday, Hugh Moore, Esq., our candidate for county Treasurer, was seriously injured, in the following manner: he was leading a horse to water when the animal reared and struck him with such force as to crush him to the ground. Notice.-All persons who have found money supposed to have been disposed of by the burglars of the bank at Clearfield, either at the place of their arrest or on their way from Centreville to Bedford, who have not already done so, are requested to report the same to Sheriff Steckman, or District Attorney E. F. Kerr, on or before Saturday next, with proper affidavits to the fact as the trial of defendants is expected to take place, at Clearfield, next week.

TOUCHINGLY TRUE.-The Mobile Advertiser and Register says: "We do not remember to have read a poem more sweetly sympathetic and more touchingly true, than the following. It is brief, but its brevity detracts nothing from its beauty. PAINFUL ACCIDENT.—We regret to announce that our friend, Capt T. H. FOURTH OF JULY.-Will Bedford celebrate the 4th of July? That is a question we hear asked frequently, but no one seems to know enough about it to give an affirmative answer. Eyerywhere arrangements are being made for the "glorious Fourth," while not a word is said in favor of doing the same here. Shall we have a good old fashioned time on "the day we celebrate," on not? That's the question. Let some one move in this matter. We notice that at most places, Saturday has been auspices of the Schellsburg Lodge, No, fixed upon for the celebration, as the 4th comes on Sunday.

EDITORIAL JOY .- The editor of the Clarion Democrat added eight paying subscribers to his list and took in over two hundred dollars worth of filthy lucre, in one week!

That was a printers' "take" not to be sneezed at. Whereupon the editor aforesaid becometh so elated that he imagines

Talks about the "Clarion Notes"thereby meaning his greenbacks-and becomes elevated to such a high key generally, as to indite two lines of poetry-regular square-toed, unmistaka-

ble poetry of "dollars and dimes." Just see what effect a little mon ey has upon poor editors!

They cannot stand the pressure of a sudden greenback inflation.

They are not equal to the emergen cy, and when it cometh they are overwhelmed, muchly.

We were overcome, the other day, at the sight of a few stamps which a friend had borrowed to make his "ends meet.

But the stamps did not come over to us, and the sequel was sadness. We once heard of a man who was so deeply affected by suddenly becoming possessed of a large sum of money that he drew himself away from it by means of a cord!

The "cords of money" were too ma ny for him and a constitutional weakness made him flop.

We have no instance to record of an editor being similarly affected. Such glorious sights are hidden from their eyes.

Perhaps it is well that this is thusly, for an editor is human and "a man for a' that."

But to think! An editor getting through the third sand rock with the pick of patient perseverance and striking-two hundred dollars!

Verily, there is joy in the sanctum when dunned delinquents rally to the escue of the poorly paid printer! How the heart of the printer leapeth with joy at the sight of a farthing that

is honestly due him! All printers are proverbially honest. Early "impressions" have made them

It a "rule" with them that is never broken, neither is the type thereof ever knocked into "pi."

WHAT MEDICINES

When you are exhausted by over work of head or hand, and feel the need of something invigorating, don't drink whisky or any intractating thing, whether under the name of Bitters or otherwise. For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869. I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this cer-tificate of its value.

ELI M. FISHER.

Mr Middleton,
Dear Sir: — Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the main; and after keeping on using it for two weeks, she was restored to health.
