A YER'S CATHARTIC PILLS,
For all the purposes of a Laxative Medicine. Perhaps no one Medicine is so universally re-Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known sands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. A YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for necipient consumption, and the dangerous affections of the N. E. Corner Second and Arch Streets, effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sund health by the Cherry Pectoral. So complete is its mastery

ouries, and the patient restored to subminearin eythe Cherry Pectoral. So complete is its mastery
over the disorders of the Lungs and Throat, that
the most obstinate of them yield to it. When
nothing else could reach them, under the Cherry
Pectoral they subside and disappear.
Singers and public Speakers find great protection from it. Asthma is always relieved and often wholly cur ed by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them hero, or do more than assure the public that its qualities are fully registratined.

AYER'S AGUE CURE. or Fever and Ague, Intermittent Fever, Chilt Fever, Remittent Fever, Dumb Ague, Peri-odical or Billious Fever, c., and indeed all the affections which arise from malarious,

marsh, or miasmatic poisons.

As its name implies it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zine, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
